

**25 January 2020 Preparation, Celebration, Separation for Integration Part 7
Ps John Bendixen (WTB)**

Scripture reference: Proverbs 29:18 (AMPC, TPT, MSG; NLV); Mark 5:25-30 (AMPC); Mark 8:22-25 (AMPC);

If I talk straight to you, it is okay hey?

2019 a year for Marvels and Wonders and Extraordinary Manifestations of the greatness of our God such as has never been seen before in the earth, don't stop believing this just because 2019 comes to an end, the Lord impressed upon me to tell the people and add and beyond, Amen!

Proverbs 29 verse 18, in the Amplified Bible says, ¹⁸**Where there is no vision**, and the Amplified Bible says, **[no redemptive revelation of God], the people perish; but he who keeps the Law [of which of God which includes that of man]- blessed (happy, fortunate, and enviable) is he. (Proverbs 29:18, AMPC)** The Passion Translation says, ¹⁸**Where there is no clear prophetic vision, people quickly wander astray. But when you follow the revelation of the word, heaven's bliss fills your soul. (Proverbs 29:18, TPT)** Come on that is quite amazing hey?

Where there is no clear prophetic vision people quickly wander astray, but when you follow the revelation of the Word, heavens bliss fills your soul." The Message translation says, ¹⁸**If people can't see what God is doing, they stumble all over themselves; But when they attend to what He reveals, they are most blessed. (Proverbs 29:18, MSG)**The New Living Translation says, ¹⁸**When people do not accept divine guidance, they run wild. But whoever obeys the law is joyful. (Proverbs 29:18, NLT)** I want to go back to the Amplified Version of this scripture because it says, ¹⁸**Where there is no vision [no redemptive revelation of God], the people perish; (Proverbs 29:18, AMPC)**

I just want to make this clear, that there are a lot of people that are in the world today that are very inspiring people. They might even call themselves inspiration speakers, or they might call them motivational speakers or they might call themselves something along those lines. In many, many churches today, it is very difficult to tell the difference between a motivational speaker and a pastor because they use quotes from many other sources of great man and proverbs and all kinds of people They also use the Bible alongside that and so, you are never really certain. They will talk about scripture, Biblical principles, but Biblical principles in themselves are, a motivational speaking is all based in Biblical principle. So, just because you can talk a good talk, does not make you a God talker.

In order to be a God talker, you got to be anointed by God to be a talker on His behalf. This is very important, because this scripture that speaks here in the Amplified it says, ¹⁸**Where there is no vision [no redemptive revelation of God], (Proverbs 29:18, AMPC)** The other translation says, ¹⁸**Where there is no clear prophetic vision, .. (Proverbs 29:18, TPT)** The other translation says, ¹⁸**If people can't see what God is doing, (Proverbs 29:18, MSG)** The other translation says, ¹⁸**When people do not accept divine guidance, (Proverbs 29:18, NLT)** So, what am I? I am a messenger sent by God, to give you divine guidance. I am a messenger of God, to give you a

prophetic word or I am connected to people, that also give prophetic words. Our job is to hear from God and to reveal what God is doing. Come on now.

Now when Brother Jerry comes and he gives me, gives us a word about the *New Door* and if I was to take that message and go and preach it or go and teach it in the corporate world or go teach it in another church and I am not anointed to teach it because I am not connected, and I am not submitted and I have not been authorized by God to teach it, I am now a profiteer. I am not a prophet, in other words, a prophet, I am a profiteer, that means I am doing it for money.

God has got strong words against people like that. That is why, in the church you will find there is a lot of chaos and there is a lot of people that are going to churches today, that cannot make progress in their Christian walk because what they are hearing is people that are just regurgitating, messages from other people around the world. Amen. That is all I am going to say about that.

I do not do that. I consider my calling before God as too sacred, to just come into any given service with you and go and click and paste someone else's message, or listen to someone else's message and just rephrase it and make it like my own. If I am going to preach something from Brother Jerry or Brother Copeland or Brother Hagin, I say that's who I am preaching from.

Why, because when I do that, I honour them, I respect their calling and then I get their anointing that comes on my anointing and it becomes a double anointing. I am not trying to not talk about them because it makes me look better if I try and sound like this is all my stuff. I know that what I am telling you now is different to what a lot of other people do in the church, but I don't care what they do in the church. This is what my revelation is about, respect and honour and the double anointing.

Here is another thing that I want to bring to you is that, hmm, if. ¹⁸**Where there is no vision [no redemptive revelation of God],... (Proverbs 29:18, AMPC)** There is a personal walk that you have with God and God is going to reveal many truths to you, personally through the Word and through the ways of God as you walk with God, are you with me?

God wants all of us to be mature believers. He wants us all to be people that can hear from God and act on what God says that we must do. My job, Brother Jerry's job, is to bring a corporate word, that gives us all a framework that we can grow in. I guess the best way to put it is this way. When my kids were growing up, what I gave them was, I gave them a house to live in. I gave them a framework of rules to live by, and I had a fridge with food in it. I said here is a framework for you to live your life in and now go and explore how to live your life. Do what you need to do within this framework. No framework, you run wild.

The messenger comes to give a framework. The messenger comes to give guidance, the messenger comes to give a thing to reveal what God is doing and that just creates us, all of us can take it and we can do what God wants. Hallelujah.

This is so powerful that if you go to school, if you are a child that goes to school and you are in standard five, what is it now? Grade seven or you are in grade ten or your grade twelve, whatever the case might be, you can take these words and you can apply that at your school level and God can bless you at school. You don't have to go

and wait until you leave school to have God's blessing on your life. Brother Jerry made a comment about this and he said, *"If you think you are a mechanic to make money, then you are wrong. You are a seed sower, whose seed comes from mechanics."*

It gets back to the point, I am not a businessman because I made myself a businessman. I am a businessman because what I do is my function to make seed. When I plant my seed my real wealth comes from my seed planting, not on how successful I can be a mechanic. Just hear me when I am talking about this. These are guidelines, I am given you redemptive revelation from God here. If I make my life about being a mechanic, then my income is always limited to me being a mechanic. If I make myself, if I look at myself as a man, that is on God's purpose, I am on His assignment, I am on His path of what He wants me to do because He made me. Now all I do is, I go to work to make money.

I can sow my seed because my wealth is in my seed sowing. Both with my words, which is my faith and with my activation on my money with my seed, so that my income far exceeds what I can do in mechanics. If you limit yourself to be a mechanic, then you are always limiting yourself into your income.

Just recently someone here in the ministry, was given, one of my staff members, he was given a motorbike, as a gift. Someone sowed a seed into his life as a gift, a motorbike. I don't know how much the motorbike cost, I am going to guess now, but it was anything between fifty and seventy thousand rand.

I can tell you this, the amount of income that he earns, he couldn't have saved enough money to buy himself that bike in quite some time. He is actually qualified, the person who received the seed is qualified, hear me now, a qualified electrician. He could go out there and work as an electrician, in the field of electricians and he could probably earn three times, I don't know. I don't even know how much money he earns here with me because I don't look at stuff like that all the time, but he could probably go and earn three, four times the amount of money that he earns in the ministry. Come on now, but his blessing is not dependant on his income. His blessing is dependant on his faith. Now, what do you think happens to the person that seeded the bike, the motorbike into his life? He has now made a decision that his life is not based on his income.

It doesn't matter what his level of income is, his life is now based on the level of seed that he sowed. That means his life is going to a whole new level because he took one of the most precious things that are of value to him and gave it away and say Lord my life is in your hands, it's not in what my hands can produce for myself
You don't need to be a salesman that works on commission, to be able to get a whole thing from God. All you need to be is a faithful person. Hallelujah. Praise the Lord.

You see, but if there is no redemptive revelation about sowing seed, then there's no way that people can live that way, that's why I am passionate to teach people. I am passionate to teach people, that to live your life without a life assignment, without knowing what God wants you to do, is actually, I don't care how much potential you have. I don't care how intelligent you are. I don't care how many business connections you have. I don't care how well you are known. I don't care whatever things come your way. Actually that's not, that's got nothing to do with it. God may choose to use that, but you won't know that God is using that until you give everything you have got to

God. A decision to give everything to God, is not just a decision of the heart, it starts in the heart, but it's got to actually come into action. How do I know that, well because faith without works is dead, it's not alive.

You could say, well I am doing, my heart is right before God, sorry, it doesn't mean anything until it comes to action. The apostle Paul says: *"You want me to show you my faith, I'll show you my faith by my works."* You can't just say, I have got faith, and then I don't have any works. Your works shows your faith.

How did I have faith that God's Word was going to impact my marriage? Well, when I heard His Word, I decided I was going to do His Word in my marriage, regardless of what the changes did look like or didn't look like. So when they were, I didn't see immediate changes in Pastor Sharon, in the beginning of our marriage, it didn't change my determination to keep doing the Word, and as I kept doing the Word, the Word started to do the change, because my faith was in my actions. Hello.

This is so real, I want to tell you it's so real because many people come to me and they say, but my personality is: I am like this, and I am like that, and I am like that, and so I am not as expressive or I am not as controlled or I am not as, listen, God knows your personality, that doesn't excuse you from living by faith. Faith overrides all personality types.

It is not just what you hear, it is what you do. You have to catch the Vision of a New Door and Supernatural Increase for 2020. You have got to catch this word, you have got to catch this vision. Part of the reason by Brother Jerry, has given us this point of contact, that he wants us to do. This seed offering of the point of contact is because he has activated that in his life. That the Lord has said, "There's a *New Door* for you that's going to open for you and you are going to see Supernatural Increase like you have never seen before."

How does that look in Brother Jerry's life? How that looks in Brother Jerry's life is that when the Word came to him in September, when he was travelling with Brother Copeland to Australia. When the Word of the Lord came to him, he began to seek God, "How do I action this Word in my life." As he began to seek the Lord, about how does he action this Word in his life. He began to explore; to God what is the *New Door*, what is the *New Door*, what is the *New Door*? One of the things that have been a burning desire in him is to build a new church. I know because in the last two or three years when I have spent a lot of time. Every time I have been with him, he spent a considerable amount of time talking to me about his desire of wanting to upgrade the church, build the church, to a new thing, and he would explore with me. I want someone to do it like this but it doesn't feel right and it and we got these challenges, and we've got these challenges, and this doesn't quite fit.

He went with the Word that God gave him, a New Door in 2020 and you will see Supernatural Increase like never before, and as he was hearing from God, the Lord said; *"It is about the new church. It is not going to be built here and it's not going to be an increase of this. It is going to be a completely new thing, that is going to be done on a whole new piece of property. You are going to sell this land and you are going to do this."* They managed the deal and so now he's got millions of dollars that he can

immediately put down and start building the church. The New Door is opened. So what he did in between is, he said, I am putting a contact seed of all my faith into the ground.

Now come on, I ask you, "Do you think Brother Jerry is a big seed sower?" You know he is. He could have said; "*I have sowed my seed before, I don't need to sow my seed anymore.*" That is not the point, the point is: There's a *New Door*, there's a new moment, and he has had the revelation from God. Remember he has got the revelation from God. He is giving us guidelines and his guideline is this is, a new door - sow to the new door. Sow to the *New Door* for Supernatural Increase to the *New Door*.

Now, if you don't yet know what the *New Door* is when you sow your seed, in giving God a chance to reveal to you what the *New Door* will be. Pastor Sharon and I had conversations about, I've sown my seed, my seven strikes, I've sown my seed, already for the seven parts of the areas that God wants me to grow in, but this is a *New Door*, this is a *New Door* that is going to open for me. Hello. Praise the Lord.

So, we are going to sow more seed. I just want to share this with you, that vision is the faculty or state of being able to see, so if you can't see something, then you can't see something. Pastor Sharon did some work yesterday for Monday's Facebook fasting that she has prepared. Monday morning, Monday night, Facebook fasting messages that you can get on Facebook, to help you with the fast in the morning and the evening, to keep you going till when, for the six days that we are going to fast for Brother Jerry's coming. Hallelujah.

We decided to do the shoot on location, so when the camera people arrived on location, I was standing there, now I have got a fairly good imagination and I like photography and I like to look at things. I had a look at the environment and I said, "You know, what I think we should do is," I said: "Let's move this out of the way. Let's turn this chair around, let's put it here, let's close the curtains, let's do this and so what do you think?" They said, "Fantastic, Pastor John. Wow, this looks amazing," and you'll see on Monday morning how amazing it looks. It's my set design, for her because I know what colour she likes. I know it's my set design. They came along and they tweaked a bit here and they tweaked a bit there, and said, "We will do this and so," but I was quite chuffed with my set design.

See, when she walked in, everything had changed to what it normally was, to something else, that I could see in my head, I could see it, but no one else could see it. The minute I started rearranging the furniture, that everybody else could see it, now everybody else could plainly see it, and now you all going to get to see it.

So, here's the thing, God can see things, that He has a vision for your life, that you can't see unless you make Him, the Lord of your life, number one. Number two when He brings a guiding prophetic word, if you don't activate that, you still can't get to see what He wants you to see. You don't get to see it, until you bump into it and you say, "Oh, is this what God wants me to see?" You could say, "Well, I am not giving money or sowing seed until I see what I am supposed to see." Doesn't work like that!

So, that's the way it goes. Matthew, Chapter 5 verse 25 and there was a woman, the Amplified Bible, ²⁵**And there was a woman who had a flow of blood for twelve years,** ²⁶**And who had endured much suffering under [the hands of] many**

physicians and had spent all that she had, and was no better but instead grew worse. (Mark 5:25-26 AMPC)

I want to say this to you. You may have been in a position in your life where you have done everything you can, to try and get things changed for yourself and it seems to have grown worse. You have gone to business after business, you might have gone to consultant after consultant, or to doctor after doctor, you might have gone to many things and had many many things said to you. Tried many different things with your hands, with your skills with your whatever, and it grew worse.

This is not a time to back off. She had heard the reports concerning Jesus. This is important, that she placed the reports of Jesus at a higher level, than the reports of all the knowledgeable people in her world. There are very knowledgeable people in your world, that will tell you what the economic situation looks like, what the job situation looks like, where South Africa is going. I will tell you that if you listen to people that have left South Africa, they would all tell you that you should leave as quickly as you can because it's all going to become like Zimbabwe.

Not on our prayer watch. Everybody would say to you, Jah but look at all the signs, the Eskom's and the SAA's, and so what? I think it is just God's order coming so that we can begin to prosper.

You can't fix what is broken unless you are first honest about what made it broken, otherwise it's just going to keep getting broken. SAA is a prime example, that keep getting broken, broken, billions and billions of tax dollars went in there to keep SAA floating, eventually, we had a bold enough president that came and said - this far and no further, and if it's going to go down, then we got to sell half the fleet and do this and do that, so be it.

I say, "Thank you, Sir. That we don't have to keep bailing out this mal-administrated airline for year after year, to the tune of two billion, three billion, four billion rands a year, that we could rather spend fixing our potholes in Witbank or putting toilets in townships. Or putting toilets in townships or fixing Eskom.

Jah, and what about Eskom? Well, if our prayers got anything to do with it, God's going to give them supernatural, ability to fix the problems. Well, you can talk against Eskom all you like, well then you are just going to further the problem. I don't want to further the problem, I want to speak a solution to the problem.

Anyway, ²⁷**She had heard the reports concerning Jesus, and she came up behind Him in the throng, and what did she do? She touched His garment (Mark 5:27 AMPC).** What happened to her faith? Her actions made a point of contact. So, if you hear this again from Brother Jerry, you got to just, respond better and better and better than you are responding today. I mean, you're doing okay with me because I'm in a zone of teaching, so I don't really need your response, but you know Brother Jerry needs more response than I do. Well, give the Lord your best praise. "*Nou klop my hart, mooi.*" My heart is beating custard.

There is something that I'm going to just throw-in by the way here, and it is this. I understand that as a teacher and a relationship that is familiar with you, I learned to

accept a certain level of interaction with you, and it doesn't faze me too much. Sometimes I feel like if you gave a bit more response, then it would be a bit better. You see because if you're talking to someone and they just look at you like... and you know again I had such a great day... You are going to talk for a little bit and then eventually it's going to be like... go away. I go and talk to somebody, and then... and so what... really? I'm so happy. You know because then there's a bit of communication going on. If you just one way talk to a wall, eventually you are going to walk away from the wall because there's nothing coming from the wall. I have got used to you, being half a stone wall.

I'm just saying if you learn to be more proactive, here's what happens, is your proactive, praise the Lord, hallelujah, with you Pastor John. You know what it does and that's what I recognize Brother Jerry's after, because he learnt us from Oral Roberts, the more you get involved in the message, the more the level of faith and expectation increases. The higher the expectation, the greater the anointing for God to come and do something. If you are just waiting for food to be fed to you, then you are just like one of these birds (baby birds crying to be fed) that wait for... give me... and they can even make a lot of noise, ...until you put an insect in their mouth... and then it's like yeah, yeah, yeah, next Sunday yeah... You know what I'm saying?

You know, but if it's like, come on Pastor John, you're doing good, Pastor John. You know what happens? Is that your response starts to motivate your own and inspire your own soul and spirit to get involved in the message. That is what Brother Jerry's actually been after, all this time and that's why he says, "Come on give, God your best praise." Because what he's trying to do is get you to be reacting to the message so that you can actually get your soul and your spirit alive so that there's an atmosphere that God can work with.

I mean, you talk about professional sportsmen. It's amazing what happens with professional sportsmen. You can have a coach that comes in and I've seen some examples of this in modern days, you get a coach that comes in and he's highly authoritarian and he demands discipline and he demands everything and all this kind of stuff and you have this very low response in the team. Then you get a coach that comes in and he's like, "Come on boys, come on, let's move, come on." Then he sees a guy doing ten push-ups, he says, "You are doing well, come let's give me another two, but you're doing good, give me another two, give me another two." Just because he has got these positive words, he is like, "I'll give you another two." Then the coach comes, "Give me two more, come on, you can do another two," and he gives you another two. Whereas the authoritarian coach says, "If you don't do ten, I'm gonna clap you." "Is it that so?" Eventually, after a couple of claps he's like, "I'm not going to do this anymore."

I enjoy British soccer. I'm just telling you, if you don't know. I've been a Liverpool supporter for, since I was ten. It has almost been that long, since we've won the first division or the Premier League. Not quite. I think the last time they won it, I was like, I don't know twenty or something like that, twenty-two or something. But this year. But this year. Because they got a coach in there and if you get a chance to watch the Liverpool coach, Jurgen Klopp, you should actually watch it. You should watch, like one of these big games, where Jurgen Klopp is destined to be, you know, animated.

You can never tell when he's going to be, but just about at any given time, on any one match, there is one time when he gets animated.

He is like, especially if he's playing at Anfield, at Liverpool's home ground. It is like, he's with the fans, and they like do a good move and he talks to the fans and he's got all the fans and then when they score a goal, it's like ... he's like ... He is chest-bumping these other coaches and all the team members and it's like and they are sixteen points clear of the nearest rival, with a game in hand and they are unbeatable. They have got forty games unbeaten. They are six games away from breaking the record of what was called the Invincibles that was Arsenal in the 1990's or 2002, 2003 somewhere around about there. They're almost about to be called the Invincibles.

I have *New Doors* opening to me, but you know, it's an amazing thing, is that the guys that are there, the talent was there before he got there. Most of it, he bought in at one or two players that were key decisions, but all that talent was there. What he did was he just brought something to the talent and the next minute they were performing. Hallelujah.

That's the place that we are in right now and when you are helping Brother Jerry and you're helping me, preach, it's like, "*Go Pastor John, come on Pastor John. Tell me to do two more push-ups, Pastor John, come on, come on, we can do it together.*" Pretty soon I'll be calling you up here and we will be chest-bumping each other and will be.

Then you will be saying, you know what my testimony is, "*I didn't know what my New Door was, but I sowed my seed and I begin to speak it. I began to get involved in telling everybody around me, that God's opening a New Door for me and I began to talk with all my teammates, which is my churchmates. I said, This is my year for Supernatural Increase. It doesn't matter about the past. It doesn't matter about all the decisions. It doesn't matter about the doctors' reports, I have got a point of contact, I've got my seed sown and I am about to go in to a whole new level.*"

I'm doing a Liverpool on you, and when she had her point of contact, ²⁸**For she kept saying**, see she kept saying, she kept saying, ²⁸**For she kept saying, If I only if I only touch His garments, I shall be restored to health (Mark 5:28 AMPC)** Hey, some of your finances have been wshhh. Some of your relationships have been arghh. Some of the things in your life just don't seem to be going anywhere. If I can only have that point of contact I shall be restored. Don't look at anything that's gone on before and say it can't. As she touched His garment, ²⁹**And immediately her flow of blood was dried up at the source, and [suddenly] she felt in her body that she was healed of her [distressing] ailment.** ³⁰**And Jesus, recognizing in Himself that power proceeding from Him had gone forth, turned around immediately in the crowd he said, Who touched My clothes? (Mark 5:29-30 AMPC)**

Do you understand what happens in this thing? When you bring your point of contact seed, you can't afford to bring your contact seed and say, "*I'm going to bump into Jesus as part of the crowd.*" *This is a personal thing, "I have got to touch Jesus. I have got to get the mind of Christ on this. I have got to get the anointing of God on this. I have got to get what He wants me to get on this. I'm going to go touch His garment because I know if I can just get this point of contact, I will be restored and made whole."*

I will tell you it's not for nothing, Church, believe me when I tell you this. It's not for nothing that as I, when the Lord began to speak to me and said, "Go separate yourself." When we started to pray for Brother Jerry. It's not for nothing when the Lord said to me, "I want you to go to America and spend five weeks there and seven weeks there and go and pursue Brother Jerry." It's not for nothing that Brother Jerry had called us through Brother Justin to come and teach the church, how to do Corporate Prayer because if you listen to him and don't do it now until he's gone, then you can go back and listen when he goes and he announces to his church "I'm the apostle of this church, the familiarity spirit is going to go out of this church and I'm putting a new vision before you as a church." He says, "Now you come and pray for us." And he calls Pastor Justin up and he says, "Pastor Justin, lead the church and come and pray for us." And he says, "Here's my whole itinerary for the next three months, I'm calling on you to come pray for me, as the apostle of this church, so that you can pray." I've never heard him say that in fifty years.

It's not for nothing that, that same apostle, that same prophet, is in our church in two weeks. Part of his word is, "Bring for your point of contact seed, bring it because I'm going to lay hands on it, and I'm going to pray for it, and I'm going and you're going to have breakthroughs, you're going to have a New Door." Hallelujah. Praise Jesus.

Mark 8 verse 22, ²²**And they came to Bethsaida. And [people] brought to Him a blind man and begged Him to touch him.** ²³**And He caught the blind man by the hand and led him out of the village;**... Just watch this, they bring Jesus a blind man and they bring this blind man and they say, "Won't You please heal this blind man?" ...**And they begged Him to touch him.** ²³**And He caught the blind man by the hand and led him out of the village and when He had spit on his eyes and put His hands upon him, He asked him, Do you [possibly] see anything? (Mark 8:22-23 AMPC)**

Now, I want you to see something here church. I want you to see that when this man pressed into God, and it wasn't so big on him, it was on him, but others had to get him there. I am getting you there, I am getting you there. When they came and Jesus touched his hand, He said, "I am taking you out of everything that everybody knows about you. I am taking you out of this environment and I am going to take you to a place ..." He could have spit on his eyes right there. He took him away from all of that unbelief and all of that noise and all of that stuff and He took him away and He spit on the ground and He took clay and He put it on His eyes and He said, "Do you see anything? Do you see anything?" Watch this, what did He do? He touched his eyes. His problem was with his eyes. It couldn't see, let me tell you, what this point of contact is that Brother Jerry is bringing is 20/20 vision in 2020.

That is something that if you will press and make this point of contact seed, you will see things you haven't seen before. I am making a pull on the Spirit that He is going to take us by the hand and through His ministry and through His teaching, we are going to see things, we haven't seen before. ²⁴**And he looked up and said, I see people, but [they look] like trees, walking. (Mark 8:24 AMPC)** In other words, he could now see, but he couldn't see properly.

Let me tell you, when you have been blind and you now get to see, you are just so happy you can see, but don't stop there. You got to press in for the whole deal. ²⁵**Then**

He put His hands on his eyes again; Oh, so you have sowed your seed for your 7 arrows? He is putting His hands on your eyes again. **And the man looked intently [that is, fixed his eyes on definite objects], and he was restored and saw everything distinctly [even what was at a distance].** ²⁶**And He sent him away to his house, telling [him], Do not [even] enter the village or tell anyone there. (Mark 8:22-25 AMPC)**

So, just watch. In this particular case, He took him out of the village, from the unbelief, He got him healed, he could see properly. Then sent him back and He said, "Don't even tell anybody." Well, why not? Don't let them rob you from your healing. Just live in your restoration. Don't let them rob you from what you have seen in the spirit. Just live in your restoration. Right? Just live in your restoration. Just live in your restoration. *(Pastor John to Grobs and Pastor Christi)* Just live in your restoration. Hallelujah. Hallelujah. Glory to God. Glory to God. Glory to God. Praise Jesus. Praise Jesus. Praise Jesus. Praise Jesus.

I tell you, what's happening to me right now. The anointing of God is causing the gifts of the Holy Spirit to flow in me, right now. There's a part of me, that is hesitant to do this because I want Brother Jerry to come and speak, because again you know, I know you. I know you, but you are ready, hey? You ready? You ready?

Willie, so what about the past, hey, Willie? So what about the past? The past is gone, this is your point of contact. Doesn't matter what has happened in the past or not happened in the past. It doesn't matter about all that stuff. You got to get a new vision. New vision, the new vision comes to you now. This is your point of contact right now, Willie.

When Brother Jerry comes between now and when Brother Jerry comes, you are going to get to see things you haven't seen before. He's going to put his hands on your eyes like I am doing now, in the spirit he's going to put his hands on your eyes and you're going to see different. You're going to see different. You're going to see things you haven't seen before. It's going to cause you to go to places you haven't gone before. It's going to cause money to come to you, that you didn't even see that it could come to you before. Everything that the devil stole before, He is going to come and restore it to your life. Don't let anybody talk you out of it. Just live in your restoration. Hallelujah. Hallelujah glory to Jesus. Glory to Jesus. Hallelujah. Praise the Lord. Praise the Lord. Praise the Lord. Praise the Lord.

Louis, this morning, I was praying and I saw you in my face. So stand up here, Louis. You are not here just because you're connected to the Reyneke family. I mean that might have been the vehicle that God called you to be here, but that is not the reason you here. You're here because God wanted you to be here. Amen. The Lord instructed me this morning, before I came into the service and I said, "When am I going to do that?" He said, "You will know the moment." This is the moment.

The Lord instructed me to put my hands on you and to say to you, that He has called you before you even knew you were called, He called you. You have just got to be patient, because God has got things for you that are beyond your wildest imagination. Amen. Here you are, you find yourself, I know, I have not heard anybody say anything to me. I haven't been part of conversations, so here you are, sowing seed with your

physical effort. I've seen you working hard and so the Lord says to me, "This seed that you are sowing, is to your future." He has got your future covered. He has got your future covered. Don't look to what your circumstances say. He's got your future covered. Hallelujah. Hallelujah. Now what you need to do is afterwards you need to get a copy of this and you need to play it, write it down, declare this every day and watch God do miracles for you. Amen Hallelujah, hallelujah. Praise Jesus.

Come on Hennie, just give me your hands. I, thank You, Father according to the Word of God that is in me right now, I declare that these hands become profitable. These hands become prosperous. These hands begin to do mighty works for You in Jesus Name. That You create opportunities, that are beyond what he can see, right now. That between now and when Brother Jerry comes, he will get to see. He will get to see in Jesus Name. In Jesus Name, hallelujah.

I am just going to put my hand on your head like this, Hennie and I am just going to pray in the spirit. (Pastor John praying in the spirit) Hallelujah, hallelujah, hallelujah, hallelujah. Glory to Jesus. That's between him and God. I know what God was saying, but he doesn't want me to tell Hennie. Maybe it's just because He doesn't want you to hear it. Hallelujah. Glory to Jesus. Praise Jesus, Praise Jesus praise Jesus praise Jesus.

Paul van der Roses, stand to your feet. Paul van der Roses and Jacinta van der Roses stand, hallelujah. Hold your hands together. I need to make this public and declare that if you will allow this season of your life, right now, where Brother Jerry in the next two weeks. If you will allow your conversation and you will allow God to speak to you, all of the stuff that the devil has stolen, God is going to restore it and He's going to take you out of a village and He's going to take you to a new place, so you can see. Then you're going to go back to that village, spiritually speaking and you're just going to live in your restoration for everybody to watch it. Hallelujah.

Paul van der Roses, get this prophecy and speak it over your life. Get the Word of God, that Brother Jerry has spoken and speak it over your life. I am going to come after you with 40 Greeks, if you don't do this. Him and I know what we're talking about. I'll come with 300 Greeks and you better be ready for them, because I am telling you, I need you to put your mouth, I need you to put your energy, I need you to put your everything into this, because this is your moment where God is going to change your world. Hallelujah, hallelujah, hallelujah. Praise Jesus, Praise Jesus, Praise Jesus. Praise Jesus, Paul van der Roses! Praise Jesus, Praise Jesus, hallelujah. Hallelujah. Glory to Jesus glory to Jesus. Glory to Jesus.

I want to tell you, Brother Jerry's going to come here and the gifts of the Holy Ghost are going to come and work and the gifts of seeing and knowing is going to function. The gifts of healings are going to function and the gifts of working of miracles are going to function and Brother Jerry is going to come here with all of his anointing's and all of his Apostolic callings, and we are going to walk on the water. We receive him as our Apostle hallelujah. Glory to Jesus, glory to Jesus, hallelujah, hallelujah hallelujah. Praise Jesus.

I've got one more session that I have to get through which I am going to do after lunch. Hallelujah. I probably won't go until three. I'll probably just go to two, but I am not going

to do it now. I am going to send you, I am going to send you to the village to go and get fishes and bread. Some protein and some carbs and I'll see you at one o'clock. Amen.

You better talk to each other about what God is doing here. Praise the Lord. Okay, bye julle.
