

KIDS MESSAGE HIGHLIGHTS_17 May 2020_ Lasting Faith_ Ps John Bendixen (WTB Studio)

Scripture Reference: Hebrews 10:32 -36, 38 (NLT)

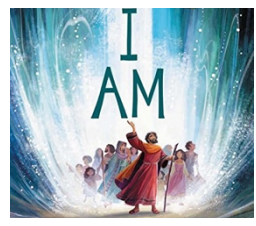

Word: This Word is going to have a wonderful and powerful impact on my life.

Prayer for our President: I'm in agreement with Pastor John and I thank You, Father, now in the Name of Jesus that you help President Cyril Ramaphosa that whoever is around him that shouldn't be around him, please remove them. And those people that need to be around him, bring them into his space that he will have supreme intelligence, wisdom and understanding that he can work and navigate politics and processes and procedures that need to be navigated for our certain good so that the nation can prosper and that we can all be in peace and in good health; in Jesus Name. Amen. God is doing something mighty on our behalf because of our prayers.

Conflict & power to overcome: You were born into a fight (conflict). The fight is the sin nature that you were born with wants to respond to the forces of darkness in the world. But **I'm a child of God, I automatically have the power to be an overcomer, and victorious in life because of the life of Christ.**

Read: Hebrews 10:32-35 NLT: I do not throw away my confident trust in the Lord. I remember the great reward that it brings me. This trust and joy that I have in God is really not misplaced (out-of-place), it really is of great value to me, both now and in the future. I don't throw it away with useless (unproductive) words, with useless images in my mind of fear and worry of what may or may not come in my future.

Patient endurance: Read: Hebrews 10:36 NLT: This is the time when it is my time to shine and actually do something really significant and great spiritually for myself, for my family and for the people around me. It's time for me to stand up, to make a significant stand; a faith-stand. It's time for me to make a stand of my love, trust, and confident expectations of God. I do it with joy and gladness. It brings a great reward, not only now but in time to come. My job right now is to be patient. I need patient endurance (keep-on-keeping-on) right now. This is not a time for me to quit on my patience. I want to receive all that God has promised to me; all of it, all of it, all of it. Hallelujah.

Live by faith: Read: Hebrews 10:38 NLT There's great reward if I have patient endurance and I live by faith. I don't turn away from the word. I don't quit and make ship wreck of my faith. I don't allow anything to come against my faith that is going to chip away (undermine) my faith. I take those thoughts, ideas, concepts captive, that want to come against me and pull me down.

God of now: I believe with all my heart that God is always the God of the moment, He's the God of now, and He's always wanting to direct (navigate) me to a safe place and show me that He's taking care of me and that He is my God. I'm patient and have endurance, so that I will continue to do God's will. When I continue to do God's will, God is pleased. God is a rewarder of those who continually seek Him, love Him and walk in faith. I stay strong.
