

New Years Eve Service

John Bendixen

31 December 2020

Where two or three are gathered, there, Jesus is in the midst. When we come together as a church even watching by way of television or the internet, we are gathering. We demonstrate to the heavenly realms, to every angelic being and any other spiritual being, that we, in this moment in time, choose Jesus. We are gathering to be God-centered and God-oriented.

"This perfectly wise plan was destined from eternal ages and fulfilled completely in our Lord Jesus Christ, so that now we have boldness through Him, and free access as kings before the Father because of our complete confidence in Christ's faithfulness."

Ephesians 3:11-12 TPT

We can come into the presence of God any time of day, any time of night, New Year, any clock ticking old year, anytime, because of Jesus. We press into God with confidence and boldness and then when we do that, the eternal mysteries get revealed to us in our hearts.

We say: Thank You Lord that we can gather together and choose You! Thank You, Lord that we can come boldly into Your presence anytime.

There is a boldness and confidence that we have because of Christ's faithfulness. When God said *Go Big and Go Bold* you can stake your life on it because He said it! We have boldness through Him. (Eph 3:12)

*Yes, a new era is here. It's already begun,
and I plan marvellous things for you in 2021.
Abundant overflow is the order of the day,
so rest assured, it's on its way.
Your adversary can't stop what I've already decreed,
So stay in faith and get ready to receive.
Allow no one to discourage you by what they say,
just keep looking to Me, and I'll have My way*

This is our theme for 2021- *The Abundant overflow, and it's already begun. A great shaking, a great shifting, a great displacing will take place in your nation, there will come a great awakening and a great outpouring.*

This is what we are to be watching for and expecting in 2021.

This is the season, this is the time to speak this prophetic word. It is not just for a limited time, it is a word that God speaks into our life force, our energies, so that He can accomplish things that He wants to accomplish.

If you keep speaking it and keep believing it, God will keep doing it. The prophetic word is just a starting point for God to do things and bring things into the earth on our behalf and to accomplish things for us.

We say; Thank You Lord for this precious prophetic word! We speak it and we believe it!
