

Beloved Part 6: Redemption

Pastor Sharon Bendixen

10 July 2022

Beloved

God purposed in His heart to have a people that would serve Him and love Him and obey Him and be zealous for Him.

Luke 1:17 (AMPC): He gave apostles, prophets, pastors, teachers and evangelists to bring the people to maturity as sons of God. That is the highest calling - to be a mature son of God. You do not mature disconnected, dismembered, dislocated, disjointed from the Church where God has set you in.

2 Corinthians 6:14-18 (AMPC):

It's this kind of people that God is after. The Lord opened up His heart to me: "*It's My desire. It's in My heart. It's unchanging through the ages, to have a people*".

You can't lay claim to the favour of God as if it's a lucky dip for your life. You have to position yourself, Brother Jerry says, for favour. You have to look to your ways, if they are the ways of God.

God said, *All these messages are coming to bring us out... I am relentless in My pursuit of My people, but it is My way. Not their way. To possess My people, to bless them. Judgement begins in the household of God, so that He can bring judgement on Egypt. We judge with Him, we rule with Him in repentance. My people who take their place ... ready to rule and reign with Me. I'm especially giving this word of Brother Jerry's to all My people now coming out of Babylon. Those that love the world still will have to take their chances. They cannot serve Mammon and take this word on their lips, they do not qualify. My Word is always conditional to My people loving Me, and seeking first My kingdom and My righteousness.* In order to get the favour of God, you have to become beloved. To become beloved, you do the things that please Him.

Leviticus 26:5-13 (AMPC): Here's the prophecy that came from Brother Jerry. ⁵ And your threshing [time] shall reach to the vintage and the vintage [time] shall reach to the sowing time, and you shall eat your bread to the full and dwell in your land securely. ⁶ I will give you peace in the land; you shall lie down and none shall fill you with dread or make you afraid; and I will clear ferocious (wild) beasts out of the land, and no sword shall go through your land. ⁷ You will chase your enemies and they shall fall before you by the sword. That's because verse one is right in place. You are listening to everything God is saying and you're obedient.

⁹ For I will be leaning toward you with favour and regard for you, rendering you fruitful, multiplying you, and establishing and ratifying My covenant with you. ¹⁰ And you shall eat the [abundant] old store of produce long kept, and you shall clear out the old [to make room] for the new. ¹¹ I will set My dwelling in and among you, and My soul shall not despise or reject or separate itself from you. ¹² And I will walk in and with and among you

. ¹² And I will be your God, and you shall be my people. ¹³ I am the Lord your God, Who brought you forth out of the land of Egypt, that you should no more be slaves; and I have broken the bars of your yoke and made you walk erect [as free men]. This is redemption.

The Lord wanted me to make this point, that in His heart is this overwhelming desire to have a people for Himself. People that will come out from among the world.

The revelation of our redemption will set us free from operating in the realm of reason, and reality, and relevance, and we will be able to enter into a wonderful spirit of repentance and experience a spiritual revolution.

God is looking for a people spiritually prepared, and that He wanted to make a point of that redemption cost Him. He expects us to walk free. Otherwise, you make redemption cheap. If you just keep on living like everybody else, following the course of this world, and not loving Him completely with all your heart and all your mind. You trample the blood of Jesus underfoot.

Four words for Redemption:

- *Agorazo* - Jesus came to earth to locate us in our depravity and to personally inspect our slavery to satan.
- *Exagorazo* - Jesus came to permanently remove us from satan's power and that condition.
- *Lutroo* - Jesus paid the ransom price of His own blood in order to break the devil's ownership over us.
- *Apolutrosis* - Jesus also restored us to the position of sons of God. This is what redemption is all about. Satan has no legal right to control us, our bodies, our families, our business or our money

God said to Ps Sharon: I'm coming off the beaten track of worldly philosophies and ideologies that have made pathways in my mind. I'm going with Him together with like-minded others that are coming with Him... The enemy has made inroads into the minds of My people, by means of the ideologies and philosophies of this present darkness in this wicked world and age. ... I am currently by My Word and My Spirit endeavouring to blow up and dismantle. How? Through the foolishness of preaching... My people put this world's philosophies and wisdom and ideologies and culture above My preaching. They don't take My messages and My preaching literally... They take My preaching with a pinch of salt, as ideology and they fit My preaching in with all the other ideas. They continually measure up My preaching in their minds against what they already have learned from this wicked world. This is the beaten path. They lean upon human wisdom to understand spiritual matters.... Few even consider to change the position to come into My Word. They do not take My Word literally.

How to receive My Word: With a yes, with weeping, with repenting, tremble at My Word. Letting it pierce and penetrate. Welcome it into a humble heart, believing. Receive it always in a repentant position and condition.

The 'sWord', the Sword that He brings will judge you. Your judgement will take place in this present life because you disqualify yourself from being able to walk in authority because of your disobedience.

He is still speaking messages through messengers today. You can gauge your own self in your own heart how you receive the Word of God. How excited you are to go to some event, and how you look forward to something but when it comes to church, "I've got to tick the box. My parents told me I have to come, so I better come."

Everything I do is because I love Him. Everything you do, should be because you love Him. You should want to be in all the messages. You should be wanting to be so full of the Word because you love Him.

Pastor John said, "Don't call me Pastor if you're not being pastored by me. You have to decide whether you're going to continue to be a hypocrite and call him Pastor John, just because it's tradition or culture in this church.

19 June 2022 message: *If I live in redemption and revelation, then my revolution must come in the form of repentance. I've got to change my mind and live in redemption and revelation to be spiritual. I have to change my thinking. What's changing your thinking? Repentance. Repentance is what creates the revolution.*

You're supposed to be having a revolution. You're supposed to have a revelation of redemption that you're free from everything that this world has. All of its thinking. There are many, they're having a revolution.

God said (regarding people who did not hear the message), "I still hold them accountable because they should have been there. This is where I planted them. This is what they should have been listening too."

I say: Lord, let this word take root in my heart. Let it bring the fear of God into my heart. The fear of the Lord is the beginning of wisdom. I choose to fear You, Lord. I choose to reverence Your ways and Your Church, Lord.
