

The Kingdom At Hand Part 3

Man is more mindful of time than any other thing and the church has been mindful of time, and we can't always wait for it to end, or put limits on time. It's only a short time we have so we have to use the time that we have for the glory of God. Time is not to be wasted. And what you do in this time is the most important time of your eternity. You're living in eternity now because you've been birthed, you were created, you were thought of and made before the foundations of the world. But you were born into this place because you are God's favourite. He prizes you above all possessions and He put His image in us He put His character in us to take it to the world to save a hurt and dying world. We're Jesus to the world.

"I tell you this timeless truth: The person who follows me in faith, believing in me, will do the same mighty miracles that I do—even greater miracles than these because I go to be with my Father! For I will do whatever you ask me to do when you ask me in my name. And that is how the Son will show what the Father is really like and bring glory to him. Ask me anything in my name, and I will do it for you!"(John 14:12-14 TPT)

Everything is available to us. We have Him, we have the Holy Ghost, we've got heaven. The doors are open, we have the angels coming down. Nothing is excluded. Everything that the Kingdom offers is in His name. That's why we have to get the Kingdom minded inside. The more we seek the Father, and the more we ask the Father, the more the Father will do for you. Jesus gave us an order, "Go into the world and give them the Kingdom of God. Go and tell them about Me. Go and set them free."

This is how we experience the things of God: you go to the world, and you preach the Kingdom of God, you love people, and God will come on you. Humility is one of the greatest things that will carry you into the great things of God. Because if you don't humble yourself, He can't do what He wants to do inside of you.

Say: I want to experience the things of God. I encounter God daily. I humble myself. I'm up today, I'm going out today, I'm going to minister Your Gospel today to someone along the way. Lord, I'll go to them, or you send them to me.

We God's start sending people your way all you have to do is follow up. Reaching that one. If you just go, He will show. We present the gospel, we do what He says, He performs the gospel. He's the greatest performer in the heavens, in the universe. It takes all the pressure off of you. But He wants to use you, to be the presenter. You just gotta keep going. Don't ever stop. Don't let anybody talk you out of it. Don't ever say you can't. There is a double anointing and it is available for all of us.

The Church is the Giant and the enemy sees it as a big threat. We are the giant! It's the body of believers that awakens and is now moving - the church that is prepared and ready to go when and where God says go.

We can only be excited about this awakening if we get all of the world out of us, and all of who God is inside of us. All the debris of your life will start to fall off when you get your hands and your head in heaven. God needs all hands on deck. It is the hands that bring in the harvest. The hand of God on the earth.

The Kingdom At Hand

Don't back away into the world. There is only eternal darkness and damnation. And we are not going there. Nobody in here is going there, and nobody out there is going there. As long as we are here. We are the ones that help them make the choice. You make your choice. Give God everything. There is still more to give.

Say: I am awakened. I am the hand of God on the earth. I will never stop. I can. I will not back away into the world. I give God my everything.
