

### KIDS MESSAGE HIGHLIGHTS\_The Kingdom At Hand\_Part 3\_Brother Bill Horn\_9 October 2022\_Witbank

**TIME:** If you stay in the Spirit, time will always be accelerated (speeded up). We can't always wait for time or put limits on time, do it now. Until Jesus comes back, we only have a short, precious time and it's not to be wasted. Time is meant for the glory of God and for bringing people into the Kingdom of God every day. **I say – The seed of God's Word always brings life, the double anointing is on me. I don't waste time, I tell others about Jesus.**

**HUMILITY:** When you're in the presence of the Lord, you should weep because that's bringing yourself down so that He can come in and up and on top of you. Humility is one of the greatest things that will carry you into the great things of God. Because if you don't humble yourself, He can't do what He wants to do inside of you. This is where we need to be and stay, then God will use you forever, every day. Humble yourself before Him. When great things start happening to us, we get this bright idea that we're the ones that made it happen but it's not, He's always the One. **I say – I humble myself before you Father and resist pride, I want to be carried into the great things of God. I want You to do whatever You desire to do inside of me, I give You the glory - You are always the One.**

**THE GREATEST GIFT:** The greatest thing you can do for anybody is lead them to Jesus and tell them about Jesus because He is their Saviour. He came for everyone. The evidence of having Jesus as your Saviour comes when you take the message of Jesus to the world. We are spirit-winners, not soul winners. God's a Spirit, your spirit gets saved and we walk out our salvation living our lives for Him. What you do in this time, that you are on the earth, is the most important time of your eternity. You're living in eternity now because you have been birthed, created, thought of and made before the foundations of the world. You were born into this place and God put His image in you, He put His character in you to take it to the world, to save a hurt and dying world. We're Jesus to the world. **I say - I give God everything.**

**DON'T THINK, JUST DO:** Let God happen. Just let Him do what He wants to do and receive it. That's what God told me, "Don't think". He said, "Just don't think, just act". Just do and be a doer of the Word. If you think about something you will talk yourself out of it – that's not the way it's supposed to be because then it's man's plan and not God's plan. **I say – When God speaks, I don't think, I just act, I jump in and be a doer of the Word.**

**YOU HAVE THE FULL-MEASURE OF THE HOLY SPIRIT: READ: Acts 1:6-8 (TPT).** We have the full measure of the Holy Spirit but there is a shortage of time. **READ: John 14:10, 12-13 (TPT).** Extract - *What you've begun is just the beginning of what He's getting ready to do in you, in this church, in this country, in this place.* God wants a people that want it all because you have got to give it all. **READ: John 14:13 (TPT).** It's not just the Name of Jesus - it's everything that's in His Name - everything. That is why we have to get God -minded inside of us. You've been given orders from the King to go into the world and tell them about Jesus and set them free. **I say – I want all You have for me to do and I give You my all.**

**HANDS LAID ON YOU: Extract - There is something coming on you today, when hands were laid onto you, Pastor Sharon said, there was an impartation that came into you, and it was just the beginning. His anointing is here in this place. That impartation to everyone that**

*came up. And if you didn't come up, He is going to give it to you now. Nobody is excluded. Everyone is called, everyone is going to do it. Don't back away into the world. There is an eternal darkness and damnation and we are not going there.*

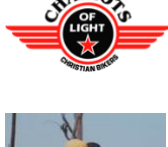

**FILLED UP WITH HIM:** You have to make a decision to get everything out so you can be filled with Him. That's your decision. We should help each other make that decision. That's how we love one another, help each other, encourage each other and we go together. If you have Jesus on the inside of you, you should be excited. A lot of people aren't excited, it is because they've got too much of the world in there and not too much of Him in there. **I say – I keep seeking God, the more I get from God, then the more I'll be like God. Holy Spirit, please help me empty out everything in me, so that it will only be, all of You in me. This is what I want.**

**EXPERIENCE GOD & ASKING HIM:** You want to experience the things of God, you go to the world, and you preach the Kingdom of God, you love these people, and God will come on you. Every time somebody comes to Christ, all of heaven rejoices. We may be in charge of all the sounds of heaven concerning salvation. **READ: John 14:14 (TPT).** The more we seek and ask the Father, the more the Father will do for you. What do you want today? Are you going to ask Him for all? **I say - I want all. I have God-encounters daily.** All you have to do is to go into all the world, everywhere, every day. It's what we're supposed to do. **I say – I'm up today, I'm going out today, I'm going to tell someone along the way about Jesus. I'll go to them or You send them to me.** You don't know when it's going to happen. It's just going to happen because you've asked God. If you ask, you will have it. When God does it, just speak to those people.

**I PRESENT – HE PERFORMS:** I just go and God shows. We present the Gospel (tell people about Jesus) and He performs the Gospel (He works in them). It takes all the pressure off of you. God wants to use you to be the presenter, you just have to keep going, don't stop. You believe and trust God. Don't ever say you can't – You can!!! Give them the Word of God, Give them the love of God. He is the Performer. God performs His Word through you the presenter of His Word. **I say – I'm the presenter – I tell others about Jesus and He is the Performer - He does the work in them. I believe and trust Him.** There will be discouragement (people won't always respond well) and persecution (people may say things that aren't nice to discourage you) because you're going into the world. Pray for those who persecute you and love your enemies. We have to get to the place where we don't care, that we cast our care onto the Father of what somebody may say. **I say – I cast this care onto You Lord of what people may say when I tell them about Jesus. READ: 2 Corinthians 4:13-15 (AMPC).** There will be more and more people and we are giving more and more thanksgiving to God and how much more is He being glorified, in and through us all.

**PASTOR JOHN - DIVINE CONNECTION:** This has been a marker moment for all of us. Our divine connection is to Jesus but then He uses people to get the job done on the earth. God has called us to a people, and He has called us with people. In being obedient to be connected to the people that God calls you to, you have everything that you ever need. You don't have to go and look for other connections, you just know that when there's a divine connection, God made it, and it is divine, then you stay connected to the divine. **I say – Thank you Lord for my divine connection to Pastor John, I obey and I have everything I need. I don't look for other connections, You've made this connection for me and I stay connected forever.**
