

Journey

KIDS MESSAGE HIGHLIGHT_Journey to New Discoveries Part 6:
Constellation_Pastor Sharon Bendixen_13 November 2022

CONSTELLATION: Extract - Constellation is an assemblage (grouping /gathering) of splendours (wonders, marvels, miracles, glories) and excellences. It means destiny. A constellation is what causes all that a man does. Constellation is an arrangement (organising) of parts and elements. The outcome depends on the configuration (arrangement) of the influences of the time. Constellation also means a gathering of very important people. A group of people, or things or circumstances related to each other in some way.

JOURNEY: Extract - Exactly like the journey that we are on together. We are on a journey from the ancient path to new discoveries. **I say - We are going to journey to new discoveries, in relationships, in finances, in different things. And we must discover what God wants us to do.** **Extract - It's a very important time for God** again and He wants us to know where we are at right now. What we should be seeing from a church's point of view, and how we should be praying. We as a church need to know what to speak right now, and every one of us should take our place. **I say – Yes, Lord, I'm taking my place.**

I WILL TAKE THE CHILDREN: Extract - There are many outcomes being decided right now. They are not necessarily predictable or in the scope of our time. There are configurations of influences at this time. The assemblage of splendours and excellences of God for outcomes, for destinies, for futures. God said, "I will take the children." How He will take them and what will be the outcome of that is God's business. Mothers and fathers have no idea what they have given birth to, but they want to put their children on a path. This is not for judgement, but it is God's constellation now.

TIME TO REPENT: Extract - "The time for repentance to Me, is open. Still, it's open to all parents," says the Lord. We have to be honest, if you don't have that honesty with God, you can't move into the truth of what He's saying and all of the messages He's been bringing. **We have to repent.**

"As for Me," says the Lord, "this is My covenant with them: My Spirit who is upon you, and My words which I have put in your mouth, shall not depart from your mouth, nor from the mouth of your descendants, nor from the mouth of your descendants' descendants," says the Lord, "from this time and forevermore." Isaiah 59:21 NKJV

CORRECTION: Extract - "If you have not taught your children to only put My Word into their mouth, you have taught them nothing. You've taught them nothing. If you have not taught and been faithful to My covenant that I've made with you, that it's My Word that shall be in your mouth and then in the mouth of your children and your children's children, if you have not taught them that, you've taught them nothing." God does not say that to condemn you. He says it to sober you up, to wake you up so that you don't die in your deception, that you die in correction.

Journey

REPENT: Parent's say - Lord, I will not let pride stand in the way of my repentance. I am honest in saying that I had no clue what I was doing with my children. Yes, Lord, I pushed them into the institutions. Yes, Lord, I still do. Yes, Lord, I've got plans for them. I repent of this and I ask your forgiveness. **Extract** - God says, "I know the thoughts and plans I have for you. I know the thoughts and plans I have for your children. You're supposed to come to Me, it says in that scripture, and seek Me with all your heart. Seek Me. Seek Me. Inquire of Me, What, what is in my womb? What is this that was born of me?" God doesn't work within our expected time frames for our futures and our destinies. **I say** - I trust in Your plans and in Your perfect time frame.

NOTE to Parents...

NOTE TO PARENTS: Even though the definitions of constellation are quite extensive, just help your child/children sow it into their heart. Remember, you are **not** targeting their intellect, you are targeting their **spirit**. It will remain in their spirit until their intellect catches up. The Holy Spirit will help you relate the definition to them in a way that they can understand. (The birth of Jesus would be a good example in the Bible).
