KIDS MESSAGE HIGHLIGHTS\_Journey to New Discoveries Part 7\_Constellation, Confrontation and CooperationPastor John Bendixen\_20 November 2022

ANCIENT PATH AND ANCIENT LANGUAGE: Extract - Everything that's birthed in God, is coming from the Source for your life, the Source that is so ancient. It means that your life is not haphazard (random / unplanned), it was never designed as a haphazard idea or a haphazard thought. I say - My life was designed so that God could have me walk on ancient paths. The way you get to your ancient path is by when God speaking in an ancient language (the language of God) that leads you to the ancient path that you must walk in. I say - I walk in the things that God has preordained for me to walk in. Our job is to create the space in obedience to God so that we can obey God, make the choice for God, and walk in that space for God. No conversation is without purpose. You have got to watch out that casual conversation doesn't interfere with the purpose. It becomes important by the weightiness I give them.

LABAN SYNDROME: Extract - The Laban Syndrome is - "I recognise the blessing of God on your life, give me all your energy, give me all your blessing, give me all your talent, give me all of the legacy of Heritage of Faith that you have. Give it all to me so that I can be blessed". It will always move the goalposts and you will never be satisfied with what you think you can get for yourself. This is how the world system works.

**TRUTH & JUDGEMENT: Extract** – There is nothing you can do against the truth. If God is all Truth, is Almighty, All Powerful, then there is nothing you can do against the truth. You may think that you can define your ways in your life without God, or you may say, "I can do it on my terms and give God some". The truth is always going to come back and show you that the truth, the true and living God is the standard. Judgment is God's perfect weapon of love, and it comes to us all. None of us are immune to it. I say - I have to judge and examine myself because it brings rehabilitation (restoration / healing) and repentance. But if you don't go into that process, then perception becomes the thing that you live by, not truth. Then, if you live in perception, then you can't have the correction because correction can only come from truth. You can't correct a perception because your perception is your truth, then your life is based on the perception of what you choose the truth to be.

FAVOURITE STATUS: READ: Genesis 36:6-8 (NKJV); Genesis 37:1-3 (NKJV). Extract – Jacob loved Joseph more than the other sons because he was the son of his old age. That is just a statement of fact, that's not the way God treats us. God has no favourites. We are all born equal in His eyes. I say - Favourite status comes when I step into faith, and faith brings the favour. And I've been given the same measure of faith. It's just how I use it.

COMPETITIVE: READ: Genesis 37:4 (NKJV). Extract – Why do you suppose Jacob did love Joseph? Maybe Jacob had a peaceable relationship with his son? Maybe those other guys (sons) as you will see, they were very contentious, very aggressive, very earthy minded people. They're always contending for things. They were competitive. They were competitive with each other. Well, you could say, "If you've got nine boys in the household or eight sons in a house, you know, you're going to have competition". It doesn't have to be that way. That's also not the Spirit of God, that's the human spirit or it's a devil spirit that operates in humans. And it's the basis of the whole foundation of our world's system that we live in - competition. And we think that that's the answer? I say - I'm sorry Lord, when I have been competitive, please forgive me. READ: Genesis 37:5-8 (NKJV). Extract – Can you see that competition? And the answer is, if you're walking in the blessing that you got as a birth-right, there is no one that can

have dominion over your birth-right. But when you have the blessing, and the birth-right, no one can take that from you. I say - I will reign and have dominion if I have the blessing and the birth-right. And I don't care what it looks like for a long period of time.

**DON'T DEPEND ON THE WORLD'S SYSTEM: Extract** – If you think that there's a system out there that you can get away from God's system. That system is feeding on itself to steal, kill and destroy all of mankind, it has no other way because the god of that system is the god of this world. It's the devil himself. And if you think you can run free in that system, and live the dream life in that system; that dream will come collapsing down on you like a nightmare. It's just a matter of time. More often than not, it's the thing that you've put your most investment into, your most effort into, what you desire the most, is the things that gets destroyed. If you think you've got the power to uphold all of your dreams, and all of the stuff you've ever invested in your life, if you think you've got the power to hold onto it. The devil, has been working with people like you that think they can "power control" their lives for hundreds and thousands of years. You think he doesn't know what buttons to press? And at the right time, he just unleashes that thing, and you say, "Where did that come from?" Sometimes it's because you have a spiritual, godly dream. Sometimes it's the dream of your own right hand. Sometimes God gives you a dream. Sometimes God has given you a dream but you think you can make it happen by yourself.

<u>PROVISION FOR THE VISION: READ: Genesis 37:8-11 (NKJV). Extract</u> – 1) You must have a word from God. Joseph had a dream and a word from God. It's a clear word from God. It's not, "I'm going to pursue this things here because I like it".

STORY – GAME RANGER vs PASTOR: Extract – Pastor John wanted to become a game ranger when he was a kid. As young as he was then, he knew he could never become a game ranger because he already knew God had called him to do what he is doing today. He said, "It doesn't matter how much I had a passion for that, still have a passion for it, It was never meant for me to live my life by that passion. It was for me to live my life by His design, not by my passion". It was for Joseph to live by the dream, the words that God had for his life, not by his passion. Joseph's passion was peace. He peacefully lived with his dad and brought news, I believe because he wanted peace in the family. I say – It doesn't matter how much I have a passion for something. I am meant to live my life by God's design for me not by my passion.

PROVISION FOR THE VISION CONTINUED: Extract – 2) You must be willing to act. 3)Then you can ask and you should have at least a second confirming word. Why? Because the Bible says by two or by three witnesses. This is not mom, dad, husband, wife getting into agreement. If you are going to have a confirming word, let it come from someone else that God will speak to that confirms that God has called you to or called your life to it. 4) You need to sow a significant seed. If you want provision for the vision then you must sow a significant seed. 5) God will give you specific instructions about what to do next. 6) And you need to position yourself so that He can speak to you in the right place, at the right time.

**EXAMINE MYSELF:** Extract – So I'm endeavouring to make sure that whatever God's placed in my heart, and what I am seeing in front of me, and in front of us, that I'm in the right position and part of it is starting with examining myself. And because some of what's happening is actually the spirituality of this household. The Spiritual standard of life that is this household, is speaking, and this standard of love is bringing judgement in this house. ALL of us, not just me. It's all of us. Hallelujah. **READ & PRAY:** Psalm 139 (NKJV). I pray – Father God, like Pastor John, I pray, if there is any way in me, anything in me that would prevent me from doing something because of my own self-nature. Then I ask You to search my heart and if there is any wicked or crooked way or anything inside if me that is not aligning with God, I seek Him to reveal it to me, in Jesus Name, Amen.

NOTE... Read the Word from the Lord and pray it out in the Spirit for your life...

## Time to Accelerate to Victory, Breakthrough and the Blessing Zone

John Bendixen - 20 November 2022

**I say -** There are things that you really desire to have as an outcome in your life and I believe that God is in the process of, in the climate of this church and what God has been ministering for some time now, He is creating the environment for you to step up, step up, step into.

To some of you I have to say; It will require a financial seed.

To some I have to say; It will require you to give time of yourself to press into God, to hear what God wants to say for you and that you can't keep running on a treadmill like a mouse on a wheel and think you're going to get anywhere just keeping the wheel running. You've got to take some time out and say I'm just going to press into God rather than read a novel over Christmas and rest and go and play sport or go to movies and have popcorn and do all that kind of stuff.

I feel to some of you that this is a time when you set aside time to press into God. I mean, I'm not saying don't have time also where you enjoy family time and stuff like that. I'm just saying; take time to specially put aside time and press into God and hear what God's got to say about your life. He will talk to you. If you go and press into Him, He will talk to you. He will.

There are some of you that God has got gifts and callings that He's placed in you and your life is just like you're treading water. God wants you to stop treading water and He wants you to zoom across to the other side. It needs you to press in, in prayer and recognise your gifting and calling and bring it to the Church. Perhaps, first in prayer and in your heart and then come and speak to one of us and say, "I'm bringing my gift." You might not know, we might not know how to receive it, but the mere bringing of it will be enough for God to activate what's next. Hallelujah. Praise the Lord.

Thus says the Lord.
