Highest Level Conference

In every generation, God desires to raise up an army of young people that are passionate about God. God is saying, "I desire to have influence in young people's lives, by inspiring them to prophesy, to speak on My behalf and giving them visions of things to come." (Joel 2:28)

When there's a major move of God, many times it affects the young people first because older people get stuck in their ways. And every time there is a major move of God, somebody tries to control it, mostly religious people. When this happens it just begins to subside. In the last days one of the major signs that will take place on planet earth is that there is going to be a move among young people like we have never seen before. God knows how to deal with young people. We have to make room for them, so that they can yield to God. Being passionate about God is what it's going to take in our generation to change the condition of our generation.

The *Maximum* literally means- *the greatest level; the greatest degree; the utmost and the best possible.*

This was God's plan from the very beginning. That man would live in the realm of the maximum and experience the highest level attainable. That was God's plan in Genesis, and it's never changed. It's still His plan today. His designs are made to last. He is a God of patterns. (Psalm 33:1. MSG)

His nature is abundance and that's what He wanted man to reflect on the earth.

In Genesis chapter one God gave man three gifts to be able to live this abundant life:

> Dominion and authority

> The blessing; the empowerment to prosper

> And seed

Everything was in place so that man could live in the realm of the maximum.

It was only when man disobeyed Him and committed high treason that man forfeited this kind of lifestyle. Even though the ability to prosper was on Noah and Abraham, it was limited because sin had come into the earth and the price has not yet been paid for man's transgressions. Through Moses came the Law and all the wonderful promises of Deuteronomy 28 were available, but most of the people could not meet all the requirements of the Law. The people were still limited but in the fullness of time, God sent His Son, Jesus, to destroy the works of the devil and get everything back that Adam forfeited. And that life was the abundant life, the maximum life, the highest level attainable.

The thief comes only in order to steal and kill and destroy. I came that they may have and enjoy life, and have it in abundance (to the full, till it overflows).

(John 10:10 AMPC)

When Jesus came, and He gave His life, and He redeemed us, He also restored our ability to enter into the realm of the maximum.

We are now capable of living in the realm of the maximum, and we're also capable of reaching the highest level attainable, all because of what Jesus did.

How do we enter into that life that Adam forfeited?

With dominion and authority, and with the blessing, and with seed. That's what it's going to take this year. You're going to have to use your dominion and authority. You're going to have to rely upon the blessing, and you're going to sow seed like never before. Every seed produces after its own kind and with the seed that we sow, we determine our own destiny.

When we don't see God's promises being fulfilled in our lives, it is never His fault. We have to then consider our ways. It's our ways that are preventing Him from doing what He desires to do. If we desire to live in the maximum realm, at the highest level attainable then it only stands to reason, go back to God's original way for making it happen; dominion and authority, the blessing and seed.

Say: "In the name of Jesus, I have been redeemed. I've been restored. I have dominion, I have authority. I have the blessing of God. And I have seed, and with these three I am capable of living the abundant life, living in the realm of the maximum. And I can go to the highest level attainable. And I am not going to let the devil or people, or religion prevent me from getting there. I am on my way."
