It's an amazing and wonderful thing to be in the presence of God and to know the Living God.

Matthew 4:17 TPT – From that time on Jesus began to proclaim His message with these words: "Keep turning away from your sins and come back to God, for heaven's kingdom realm is now accessible." Jesus is here and because He's here the Kingdom is here, keep repenting, move away from the things that keep us holding back, keep moving away because the Kingdom of heaven is available NOW.

So, what do we understand about unconditional love? A continuous love means it's always present, it's always perfect and it reveals His state of Being. God is Love. No imperfection, He's perfect from the beginning to the end of all beings.

Where do we think is the place that the Perfect State of being occupies, that place that He occupies is your Spirit man, not your body, your spirit man, now your spirit man is a perfect place, because he can't be in a place where there is imperfection.

Say: I have a relationship with a Continuous Perfect State of Being Who lives in a continuous state of being in me. Therefore, perfection is in me, I need to get the perfection out of me into my world so that my world can have the same level of Continuous Perfect State of Being.

Do you think we can measure God's love? No, it's immeasurable. Apostle Paul writes in the book of Romans, you won't even know the height, the depth, the breadth, the length, the width of the love of God towards us. It's immeasurable because God is Love and He can't be measured.

For us to understand a measure of His love, God has sent His Son, He will walk amongst us and when we see Him, we will know what kind of love He has for us. God has created us to have purpose, God doesn't create anything if there is no purpose, whatever the purpose is we don't know it yet, but one day we'll see what purpose God created all kinds of creatures for, because He lives in a place of – Perfect State of Being – always.

God says, "If you receive Jesus into your life, you can't upset My measurement system. Whatever you do, nothing you do can upset My measurement system because I am a Continuous Perfect State of Being." So, whatever you do, you can never change God's Continuous Perfect State of being. Don't put a limitation on yourself because He is a Continuous Perfect State of Being and there is nothing that you can do to change Him, never could, never will, it is impossible.

Say: I declare as Jesus does, 'Repent, repent, turn away from your old way of thinking about how you can do things in life, because the kingdom of heaven is at hand.'
