In the beginning was the Word. In the beginning was the Continuous Perfect State of Being. And the Continuous State of Being, the Word, was in the Continuous State of Being. He was in the beginning with God, who also is a Continuous Perfect State of Being. All things were made through Him, the Continuous Perfect State of Being, and without the Continuous Perfect State of Being, nothing was made, that was made (John 1:1-3 NKJV).

God spoke it into being, and it continues to be, because He said "Let it be "it came out of the Continuous perfect State of Being, there it is. How big is He? How great is He? In Him was life, and the life was the light of men. And the light shines in the darkness, and the darkness did not comprehend it (John 1:4-5 NKJV).

Don't try to give council to a scoffer because a scoffer will look at you and say, "But, hey what do you know about God?" That means they don't know anything about the Holy Spirit. Because they don't know the Holy Spirit, they've never opened their hearts to the Holy Spirit, they don't have the truth in them.

Scoffers try to measure Jesus' life. You know that? They constantly try to measure Him. They are saying, "Who gives us the authority to speak like this? Where do we as Christians get the authority from? What is giving us the right to speak these kinds of words?" We must always refer to the father, the Source, the one that was there in the beginning.

Read Proverbs 9 verse 10-12 NKJV

Is Wisdom available to us? Where does wisdom come from? It's going to come from the Word of Wisdom that was with us from the beginning, which became flesh and dwelt among us, the Word that was the beginning, the Continuous Perfect One that ever has been, always will be, never ever changing, that one who came and dwelt among us. The beginning of wisdom is fearing God.

What does it mean if the Continuous Perfect State of Being says I bless you? God is saying, "If you are going to obey Me and follow the commandments", He's saying "All of Who I Am is coming upon your natural world that is around us, and it cannot but obey Me to come into the Order of the Continuous Perfect State of Being" Do you understand what blessing is? Blessing is God's command that wherever we go and everything we do is going into a place where everything is prepared in the Continuous Perfect State of Being, making a way for us to be always in a continuously perfect state of being.
