Thank you, Music Ministry. Thank you, Empie. Two microphones again. Well, good morning, everybody. Pastor John sends his love. Pastor John is taking some personal rest with the Lord today and yeah. He started after the cycle. He had a wonderful week with all of the cyclists, with all of his A-team, and with all of the iXchangers. Wonderful week of cycling. Pastor John is my husband, he's the spiritual leader of this church for those of you that might be visiting here today. And he will be back with us next Sunday to be ministering to us. But he's taking personal rest, and it's part of his progress right now that he has need of to finish his period of mourning for his father that died and went to heaven. So, it will not be long now, and his period of mourning will be over. We bless him, we bless him. We bless him where he is right now in Jesus' name. We love you, Pastor John, we love you.

So, this morning, crossing over, and the title of my message is; *Accumulation and Culmination*. So, I'm trusting that the space that I'm in with God, the recognition that I'm having now is all going to be transmitted to you. That you will come through the ministry this morning to find yourself in the same space that I'm in. That's the intention of the Lord this morning, is that as I give to you what the Lord has given to me, that you come into that place. Crossingover. So, some things seem like it's taken long, but God is outside of time, timeless, and He's living in Spirit realm reality. But in God, when a set time comes in our real time for us, we must be ready. And there are many of us that are ready. We are ready. We're ready. He has been, I'm just writing down what came to my heart. He has been, God, has been supreme intelligence in preparing us. In preparing Pastor John and myself and all of us that have been journeying together. As we've been journeying together, we didn't realise many things which we can see more clearly now, which we realise and recognise now, it's how it's always been on the other side of obedience. Right? Now all of what the Lord told Moses for his people continued with Joshua. Right?

What the Lord told Brother Jerry for us continues with Pastor John. The man is gone, the message continues. Fourteen prophecy promises, eight messages, all of Pastor John's obediences, all our spiritual preparation, the Crossover, the First Fruits Crossover weekend, the words on Sunday 14th April. Brother Jerry's death on Monday 15th April. The sequence in this journey thus far is nothing less than supreme intelligence genius of our God. I give Him thanks, we give Him thanks for that. And now these words as Pastor John was ministering last Sunday, I heard these words in my spirit, all has been accumulating and all is now culminating. I'm going to explain these words because I had to go and understand these words for myself. All has been accumulating and all is now culminating.

And then I got another word this morning in prayer, consummating. So, all of these words that have come to us from 2010 that Pastor John spoke about last week, all of them. All of the eight messages brought. All of the everything that God has brought to us this far, all of the prophecy promises, that's what he called them. He called them that in my heart; prophecy promises, advancing, progressing, promotion, a prophecy promise. Right?

So, all of these words have been accumulating, all is now culminating. *Accumulating* means *to bring together in a quantity, to increase gradually in quantity and number*. *Accumulate* means *to gather and cause to increase*. *Accumulate* means *to mount up, pile up, heap up*. So, all of his prophecy promises, all of these words, all of our preparation, all of these

messages we've been receiving, have been accumulating. They've been accumulating, they've been gathered and caused to increase. They've been mounting up, piling up and heaping up. They've been brought together in a quantity. That's what accumulating means.

Culminating means to crown and to top. To culminate means to reach the highest point, to be vertical, to rise to, to reach its highest point of altitude. To be directly overhead. To reach the highest climactic decisive point. To bring to a head and to the highest point. Everything has been accumulating, everything is now culminating, everything. All these words have been brought together in a quantity. They've been increased in quantity and number, they've been caused, they've been gathered, they've been mounting up, they've been piling up. They've been heaping up and they've been rising to its highest point. They directly overhead us, over our heads. They're reaching their highest decisive point. They're being brought to a head.

Consummating is the act of bringing to completion and fruition. Okay. Okay. So, the Lord has been doing all of this. The Lord has brought us to this. Now all the fourteen words, all the fourteen prophecy promises, I'm gonna read them at the end of my message. I'm gonna end my message with them. All of these fourteen prophecy promises, all the eight messages, the crossover, the Jordan entering to occupy, the accumulation, the culmination, the consummation of everything.

As I saw that, as the Lord showed that to me because Pastor John was reading through all of the prophetic promises from 2010, 2011, 2012, 2013, 2014, right up until 2024. As he was reading them out and the Lord was saying to me, "Accumulating, consummating, accumulating, culminating, consummating." I'm still getting used to these new words. Right? We got to pick up these words because we are, that's what one Corinthians chapter 2 says. Words which the Holy Ghost teaches which things we speak. Right? Which things we speak.

Now so, I understood at once a scripture that He gave me, I believe it was 2012. You know sometimes God speaks to you through scripture and it's so powerful and it's so strong. And then you carry it and you go, there's something in your soul that goes, when's it gonna happen? Like with every prophecy we've had every year. How's that gonna happen? When's that gonna happen? And then at the end of the year you go, did that happen? They've been accumulating. They've been culminating. They're culminating now for, okay, right.

I understood this scripture and He specifically spoke the scripture to me out of the Message Bible. That's very important that you get it out of the Message Bible because that's how the Lord gave it to me. It's how He wanted me to see it. It's how He wanted me to get it. It's how He wanted me to see it and understand it. It's how the Spirit in which He wanted me to receive it was from the Message Bible. Amos chapter 9 verse 13 and 14. So bearing in mind that all of these words are culminating, I understood how we could do this now.

¹³⁻¹⁴ "Yes indeed, it won't be long now." God's Decree. "Things are going to happen so fast your head will swim, one thing fast on the heels of the other. You won't be able to keep up. Everything will be happening at once - It can happen at once because it's been accumulating. Everything will be happening at once - and everywhere you look, blessings! Everywhere you look, blessings! Everywhere you look, blessings! Blessings like wine pouring off the mountains and hills (Amos 9:13-14 MSG).

He can do this because His Words and His Prophetic Promises have already gone forth. He's been accumulating them. He is culminating them, and He is, what's that other word now? Consummating. He is consummating it. There is a scripture in the book of Ephesians that says, He consummates everything in Christ Jesus. He is consummating this now in our Ecclesia, in our church. This is not a Word for the whole body. God is speaking to these people in this church. It doesn't matter if you have just come to join. It is for the people that

have been journeying with all the messages, that have been crossing over with the Holy Spirit. This is now happening for us.

Then He said this to me, "For the next ten years, for the next ten years, this is how it will be." What I have just read to you now, for the next ten years, this is how it will be. Blessings will fall like rain, you'll recognise this, and nothing about your life will be the same. From 2024 to 2034, it will pour. For the next ten years as we remain faithful to all the messages. As we remain faithful to all the direction, the correction, the instruction, and everything. As we remain faithful and focused, it will just be like this. These days will be prolonged. They will go on and on. And the blessings will be both spiritual and natural. The blessings are going to be spiritual and temporal. Another word for natural is temporal, earthly blessings. And it will impact and affect the relational aspects of our lives, the financial, the provision, all things added and increase. It will impact and influence our bodies, our physical health, and our healing and our well-being. Health, strong. Living strong. The next ten years.

You know, this is not new to Pastor John and I. We have been speaking this from America after Brother Jerry died. We've been saying to each other that. "And the next ten years, and the next ten years." And we caught ourselves one day and said, "What is this? The next ten years?" It is what God is saying. And the next ten years. He is giving us a purpose, mark, an expectation and a hope for our future, for the next ten years. Glory to God.

From 2024 to 2034, it will pour. For the next ten years, as we remain faithful and focused, it will just be like this. Right? And it will affect and impact every area of our lives. These blessings are going to be spiritual and they are going to be temporal. Glory to God. Natural. They are going to be natural.

So we are going to look at Isaiah 26 verse 12 in the Amplified Bible. Isaiah 26 and verse 12, Amplified Bible. ¹² **Lord, You will ordain peace (God's favor and blessings, both temporal and spiritual) (Isaiah 26:12 AMPC).** Can you see here? The blessings are temporal and spiritual. See? Temporal is another word for earthly and natural. Right. And spiritual. Right.

Let's look at Amos 9 verse 13. Amos 9 verse 13 Amplified Bible. ¹³ **Behold the days are coming.** You see they are here now, because things have been culminating. Things have been accumulating and now culminating. ¹³ **Behold the days are here that the plowman shall overtake the reaper, and the treader of grapes him who sows the seed; and the mountains shall drop sweet wine and all the hills shall melt [that is, everything heretofore barren and unfruitful - Everything heretofore barren and unfruitful, everything heretofore, everything before this point, barren and unfruitful, shall overflow with spiritual blessing (Amos 9:13 AMPC).**

John 1. John chapter 1 verse 16 and 17.¹⁶ **For out of his fullness (abundance), out of Jesus' fullness, we have all received [all had a share and we were all supplied with] one grace after another, and spiritual blessing upon spiritual blessing.** Can you see spiritual blessing? I know you're all asking me, "Just tell me again, Pastor Sharon, what is spiritual blessing? Just tell me again, Pastor Sharon." I'm getting to it. I'm getting to it. I just want to get through these scriptures so that you can see that everything... okay so we **[all had a share and we were all supplied with] one grace after another, and spiritual blessing upon spiritual blessing and favour upon favour and gift [heaped] upon gift (John 1:16 AMPC).**

Right. Now we're going to go to James chapter 4 verse 5 and 6 because I want you to see something here about the Holy Spirit and grace. So, when we receive grace from Jesus and spiritual blessing upon spiritual blessing, we've received the Spirit of Grace. You have no grace without the Holy Spirit. It is His name. It is His name. He is called the Spirit of Grace in

the book of Zechariah and in the book of Hebrews. He's called the Spirit of Grace. And once again, I'm going to just tell you right now that grace is the power of God for you to live your life just like Jesus. Grace is not something that God will wink at something in your life because you're just not changing. You just not changing. Grace is the power to transform you, to change you. Grace is the power to transform you. Grace. The Holy Spirit's been given to you to transform you. The Holy Spirit of Grace has been given to you to change you and transform you.

Alright. So, here we go. Alright. So now I'm going to show you out of the Amplified Bible. "Why out of the Amplified, Pastor Sharon?" Because this is how He gave me revelation from the Amplified Bible. So, I can only give it to you the way He gave it to me from the Amplified Bible. You could go and read it in another translation and the Lord will give you revelation. But I must give to you as He's given to me. Right? This is my revelation about the Holy Spirit.

⁵Or do you suppose that the Scripture is speaking to no purpose that says, The Spirit, the Holy Spirit, Whom He has caused to dwell in us, the Holy Spirit whom God has caused to dwell in you. The Holy Spirit whom God has caused to dwell in me, ⁵Do you suppose that the Scripture is speaking to no purpose that says, The Spirit Whom He has caused to dwell in us yearns over us (James 4:5 AMPC). This Holy Spirit who lives in you yearns for you to have a living relationship with Him so that He can change you. He yearns for you to cooperate with Him. He yearns for you to make Him at home in you and for you to have a cooperation with Him. He yearns for that with you. With you because He lives in you.

Do you know that you can live with the Holy Spirit in your heart for the rest of your life and never cooperate with Him in anything? He can be a dormant presence in you for all the days of your life. If you don't take what Jesus said about the Holy Spirit in John chapter 14, John chapter 15, and John chapter 16, if you don't take what Jesus said about the Holy Spirit personally for yourself and own that Truth and walk in it with the Holy Spirit, so will your life go. Jesus said the Holy Spirit has come. He will show you of things to come. He will help you. He will, He will ... okay. I'm not gonna go there now. I've got too many other things going on in my heart here.

Okay, so. ⁵... **do you suppose that the Scripture is speaking to no purpose that says, The Spirit Whom He has caused to dwell in us yearns over us and He, Whose that? God. He yearns for the Spirit [to be made welcome] with a jealous love? (James 4:5 AMPC)** God the Father and Jesus, who's caused the Holy Spirit to live in you, yearns for you to make the Holy Spirit welcome with a jealous love. You should be making the Holy Spirit within you welcome with a jealous love. You should be in close fellowship with Him. You should be in close fellowship. You should be talking to the Holy Spirit. You should be cultivating hearing His voice. You should know Him by now if you've been saved for any amount of time. It's a tragedy. If you never, if you never, the Afrikaans word - *as jy nooit hierdie verhouding met die Here aanknoop nie. Met die Heilige Gees aanknoop. Jy moet, jy moet jouself met die Heilige Gees aanknoop.*

You will just live and die without ever having known Him. Every day, you can know Him in every decision, in every choice that He, God, yearns for you to make the Holy Spirit welcome with a jealous love. What's a jealous love? God says, God says, it's not envious. God says He's a jealous God. "I want all your attention." He wants you to make the Holy Spirit welcome with the jealous love. You want all of Him. You want all of Him every day in everything you do. In every step you take, in every move you make. Hallelujah. Jesus said, "I must go away. It's good for Me to go away because when I go away, I'll send you another Jesus." Another Comforter means, "I'll send you another Jesus." He's gonna be living in you, though. He's gonna be with you all the time. "I can't be in you all the time, but the Holy Spirit can be in you all the time, just like I was with My disciples all the time." Glory.

So with a jealous love, but He God - this is talking about God. If you go and read the context of that scripture, God gives us more and more grace. What is grace? **“... He gives us more and more ... (power of the Holy Spirit, to meet every evil tendency ... fully,) (James 4:6 AMPC).** But not just to meet every evil tendency, to walk your whole life in blessing and in covenant walk with God. Hallelujah. With all of Him speaking inside of you. Glory. But He gives grace. Okay. That's why He says, **“6 God sets Himself against the proud and haughty,...”**) So here is the key. Here is the key. The proud and haughty cannot receive the grace. But I'm not proud and I'm not haughty. Yeah, you are if you come to this church and you don't listen to the messages and you don't believe them, and you don't obey them - you are proud and haughty. Yes, you are. You might see yourself outside of a church setting as a person humble and everything, but in the church setting is where your true colours show. Your true colours show in His Ecclesia where you are supposed to be planted. The roots of your being going and the fruits of your life coming out of all of what is ministered to you in the church, because in the church He has given apostles, prophets, pastors, teachers, evangelists for the; so that you can be equipped to become a son of God, a mature grown up son of God. You are not a mature son of God outside of the church. You will imagine yourself to be but you're not. You cannot be a mature son of God without the apostle and the prophet and the teacher and the shepherd and the, and the evangelist preaching Good News. Hallelujah. I mean, you know, that's just how it is. That's just how it is. But, majority of you have been listening and coming and changing. Glory to God.

So that's why **“6 God sets Himself against the proud and haughty, but gives grace to the lowly.”** If Grace **“gives grace to the lowly, really, (those who are humble enough to receive it). (James 4:6 AMPC).** You know, when you read the Bible for yourself, you can be proud and haughty and understand it, but when you come to church and a message is preached that you don't agree with, it takes great humility to go like this under the message. *(Pastor Sharon in a bend down gesture)* “Yes Lord. Yes Lord.” Huh? It takes great humility to go, “Yes, Lord. This is your servant bringing a message. Yes, Lord. Yes, Lord.” It's not just a mere messenger. It's - these are the Words of God coming to me. Right. That takes humility. So this is what God is talking about here now.

So spiritual blessing is the Holy Spirit in us. I'm just gonna read. He imparts all spiritual blessing. He gives the power to overcome all. The Holy Spirit is God's grace. Grace is the power of the Holy Spirit for everything. You have no grace if you do not have a vital connection and close fellowship with the Holy Spirit. He's the only one who imparts grace now to the new creation. More grace only means more of the Holy Spirit manifesting in your life. More of your close relationship and fellowship with Him, producing fruits and you making progress in that. Okay.

Just because He is in you doesn't mean you have Him. If I say to you something, “Have it.” It means you take it. “Have it. Have it.” Just because He's in you doesn't mean you take Him for yourself. To have Him means to hold Him, to hear Him, to obey Him, to love Him, to be in close fellowship with Him, to know Him. Spiritual blessings, if something is spiritual in your life, it means it's from the Holy Spirit. It's of the Holy Spirit to your spirit. That, this is available to every born again child of God to be in close fellowship with the Holy Spirit, to know Him for yourself, with yourself, to walk with Him. Glory.

Everything is, that is spiritual, is that which is of the Holy Spirit and from the Holy Spirit, transmitted by the Holy Spirit, revealed by the Holy Spirit, disclosed by the Holy Spirit. Every spiritual blessing is that which is by His Spirit, revealed in His Word by His Spirit, not with your strength and your might. Not by your might or by your power, but your life is to be lived by the Spirit. Glory to God.

So, this was the whole purpose of the crossover, people. It was to get you, to press you, to push into a vital relationship with the Holy Spirit. It still is there. Pastor John said many times,

“You cannot cross over on your own. You can only cross over with Him, and we're crossing over with one another.” So, there've been things in other people's crossovers that have helped each other to see things, and we've gone, “Yes, yes, yes.” In my crossover, the Lord spoke about holy-days, holidays. I did not know that what He said to me personally would spark such a thing in a congregation, that God would require of us a first fruit. So, I was not to know that what He showed me to keep people that have died, their teachings in my heart, I keep, but their persona of who they were, not to drag that around in my life anymore. How they did things, who they were and their personalities? God doesn't want us dragging the dead things. I was not to know when I spoke there on Sunday that Brother Jerry was going to die on the Monday. Right?

The whole purpose of the crossover, a great opportunity given to us which began in September 2023 for spiritual change. I'm getting to something here now. This is very important to where, what God has said that's accumulating, culminating and consummating. Right? Stay with me. Right. Right. Okay. The great opportunity given to us began in September 2023 for spiritual change to move from the natural to the spiritual. I'm gonna read something now because that's what crossing the Jordan means in the Bible.

The crossover of the Jordan. Jesus was baptized in the Jordan. Elisha and Elijah went over the Jordan. The Jordan is symbolic of things, spiritual, that I'm gonna read to you. So, just the opportunity was given to us here at Heritage of Faith to move from natural to spiritual. Preparation, preparation, preparation. Things change dramatically after the crossing of the Jordan. Why? Because the people undergo a dramatic transformation. The people change, undergo a dramatic change, especially us who undergo the crossover with the Holy Spirit in a transformation of thinking of speaking of behaviour.

Okay. Now I'm going to just read you something from my 2012 journal about the Jordan. God spoke to me in 2012. Things have accumulated. At the Jordan, the Lord Jesus was baptised, which signifies that He didn't start His ministry out of Himself but out of the Father. The heavens opened, the Spirit descended, everything was by the Spirit. We're talking about spiritual blessings now. The Lord Jesus stepped into His public ministry after His temptation and subsequent to the Jordan. Once we've crossed the Jordan and have entered the land, an immense change takes place.

It will be a change from the earthly to the heavenly. The heavenly life is to know the resurrection life in Christ. “Pastor Sharon, how did you know the resurrection life in Christ?” If I can tell you some of the things that He told me to leave behind, things that had to die, it could only be His resurrection life in me that killed it. So, if any of you have had that experience with God where He showed you things and it's killed and it's dead and holy-days are dead and things have been killed, that's the resurrection life of God in you that did it. It did it. It affected it in you. It was effectual working in you. He shows you something out of a message for you to correct and then He gives you the grace, more and more power of the Holy Spirit. That's the resurrection life of Christ. It's gone. It's finished. It's out. Okay.

Crossing the Jordan. It's how we are supposed to live our whole Christian life, but God gave us a condensed period in time opportunity to crossover, to have everything condensed. Oh my, that's another word, condensed. What are the other words again? Accumulate, culminate, consummate, condensed. Wow, right Lord. So, it's God's purpose. Okay. Jordan drew the line between the Israelites' carnal life and their spiritual life. *[Pastor Sharon demonstrates drawing a line, drawing a line with her foot on the stage.]* God draws the line at the crossover and the Jordan. God draws the line. After the crossing of the Jordan, what Achan did, would not be tolerated. Joshua even said to the Lord, “Oh that we were still on that side of the Jordan, then none of this would have happened to Achan.” But God's instructions to the Israelites were so clear, for so long about how you should crossover and how Egypt should come out of you, and how you should come out of Egypt. He ministered

so long. So long He taught them and instructed them, that the time came when He just did that. [*Pastor Sharon draws a line with her foot.*] He drew the line.

Now those that have been listening are crossing over. Jordan drew the line between the Israelites carnally and their lives spiritually and now they were on spiritual ground. Achan contradicts that when the carnal life broke out again, but the result was a quick radical judgement. Now your judgement as you sit here in this congregation having not received the messages that have come, might not look like Achan's, but there's a scripture in Hebrews that says you have disqualified yourself. You are disqualified. You are disqualified. And only God can draw that line for individuals. Pastor John and I do not draw it. But God says, "You've been here so long. I've been speaking to you and pleading with you so long..." [*Pastor Sharon draws a line with her foot.*] Right.

It doesn't mean you won't go to heaven, but you just won't go in... You'll stand from afar and you'll see other people... it's happening to other people, but not to you, and then you will know that God has drawn the line, because you've been here so long and you've not listened. You've hardened your heart. But those that have listened, oh my, we're going in. We're going in. Hallelujah. So, quick radical judgment.

So, for God's people, consecrate... God said in verse 5 of Joshua, He says, ⁵ **...consecrate yourselves, because...** (Joshua 3:5) in three days we're going over and spiritual preparation is the vital element for it is being rightly related to God that brings the power of God on our work and on our ministry. Set apart, dedicate, prepare. Hallelujah, consecrate, consecrate, consecrate. Hallelujah. That's what you've done. That's what you've done, iXchange. You've said, "I consecrate, I dedicate. I'm giving it all." And there's many of you that have done the same and said the same to the Lord. Prepare yourselves. It points out personal responsibility. ⁵ **...for tomorrow, the Lord will do wonders among you.** (Joshua 3:5) It's consecration and preparation for the power of God to experience God's power, protection, deliverance. Alright. In spiritual preparation, we build our faith. So we will put our feet in the water, crossover, and occupy and have everything. All of the fourteen prophecy promises, all of the eight messages that Brother Jerry brought here, to bless us with, and I'm going to, that's available to everybody by the way. Oh, but immediately, resting in the presence of God because the ark was in the water, immediately, a miracle occurred. The realm of the miraculous has been opened to us, Heritage of Faith Witbank. Glory to God.

So, everything is different now. It's all changed in the Spirit. We've been in process. We've been in preparation and God says this is all for us now. We're to go in for it all. Spiritual blessing is also the spirituals. The spirituals. Spiritual blessing, one Corinthians 12 verse 1, New King James Version. This verse, verse 1, it says ¹ **Now concerning spiritual...** The gifts is not in the original. It's in italics in the King James. ¹ **Now concerning spiritual...** ¹ **Now concerning spiritual... (1 Corinthians 12:1 NKJV).** I do not want you to be ignorant. One Corinthians 14 verse 1 and 2, ¹ **Pursue love...** Let's just see here. ¹ **Pursue love, and desire spiritual gifts, but especially that you may prophesy (1 Corinthians 14:1 NKJV).** What did Pastor John say? The young men and the young woman will prophesy. Hallelujah. Glory to God. We're coming into very spiritual time now.

So, I want you to see here one Corinthians 12 verse 4 to 11 from the Message Bible. ⁴⁻¹¹ **God's various gifts are handed out everywhere; or God's various spirituals are handed out everywhere; but they all originate in God's Spirit. God's various ministries are carried out everywhere; but they all originate in God's Spirit. God's various expressions of power are in action everywhere; but God Himself is behind it all.** But I want to say again, they all originate in God's Spirit. **Each person is given something to do that shows who God is: Everyone gets in on it, everyone benefits. All kinds of things are handed out by the Spirit, and to all kinds of people! The variety is wonderful.**

Hallelujah. **Clear understanding, simple trust, healing the sick, miraculous acts, proclamation, distinguishing between spirits, tongues, interpretation of tongues. All these gifts have a common origin, but are handed out one by one by the one Spirit of God. He decides who gets what, and when (1 Corinthians 12: 4-11, MSG).** See? Hallelujah. Glory to God.

So it's the Spirit who works miracles amongst us. Galatians 3 verse 5 from the Weymouth Translation. ⁵ **He who gives you His Spirit**, He who gives you, we're talking about spiritual blessings **and works miracles among you - does He do so on the ground of your obedience to the Law**, can you earn it? No. **Or is it the result of your having heard and believed (Galatians 3:5 Weymouth)**. Everything that Jesus said about the Holy Spirit in John chapter 14, 15 and 16, you believe everything Jesus said about the Holy Spirit. In John 14, chapter 14, 15, and chapter 16, Hallelujah. Hallelujah. Glory to God.

When you're walking with Him, you don't have to strive for the spirituals to flow through you. When you're walking with Him, you won't, you'll know it all originates in God's Spirit and it flows from Him to me through me. Glory. And so, so spiritual blessings and natural earthly temporal blessings. What are the natural earthly temporal blessings? God says it over and over in the book of Deuteronomy. Houses, lands, vineyards you didn't build. It's all earthly stuff. It's finances, it's provision, it's goods, temporal stuff, it's finances, earthly possessions, houses and lands.

And I'm going to say at this point, God has had much to say to us about this. The realm of the miraculous is open to those for spiritual and for temporal things, who do not love it, who do not serve it. God brought that scripture to us. Do you remember? Don't forget. All in the book of Acts they were so filled with the spirit, they were so walking in the spirit, none of them said, "This is my land, this is my house, this is my stuff, mine, mine, mine, mine. I worked for it. I earned it." And God opened the realm of the miraculous for us with, *I Will Take the Children* and *What is your more for* and your answer puts you into the realm of the miraculous if you say, "My more is for You. My more is for what Brother Jerry brought to bless us with. So that I can do more for the Kingdom of God." That's what Brother Jerry said. So that you can do more for the Kingdom of God. Right? You're seeking first His Kingdom. You're believing that all the other things will be added to you. God has had much to say to this Ecclesia. I don't even know if I'm going to get there, but He's had much to say, and He has had much to commend you on. He's had much to commend this church on, because there have been those that have been, and have said, "My more is for the Kingdom, Lord." And they have actually put their money where their mouth is. Glory to God.

Ongoing generosity and giving. Ongoing. God commends this church. Okay. So possessions. Three beware's; beware, beware, beware. I'm just coming now. I'm almost done. Beware, beware, beware. As all of these things are coming to you now, everything, all of this blessing that I'm going, all of this blessing flowing, blessing everywhere you look, one thing happening hot on the heels of another thing. Everything happening at once, because it's been accumulating and it's culminating and it's consummating now. Hallelujah. God says beware three times. He warns us because He loves us because He wants us to live long in the land. He doesn't want you entering in and then stumbling.

Deuteronomy 8 verse 11 to 14. Right. The Greek word for *beware* and the Greek word for *take heed* are exactly the same words. The Hebrew word for *beware* and the Hebrew word for *take heed* are exactly the same Hebrew words. So, they're interchangeable. Deuteronomy 8 verse 11, ¹¹ **Beware. Beware. ¹¹ Beware that you do not forget the Lord your God.** This is in Deuteronomy. This is for their crossover. He's saying, "I'm taking you over into a land." You read all about it in the book of Deuteronomy. Houses, lands, this, that, this, that. I'm gonna be your God. You're gonna be My people. You're going to occupy and you're going to kill everything that all the other nations do, that Babylon does, that Egypt

does. You're not gonna be like them. You're not gonna behave like them. You're not gonna speak like them. You're not even gonna look like them, and you're gonna just be blessed, blessed, blessed, blessed. Right?

So, ¹¹ **Beware that you do not forget the Lord your God by not keeping his commandments, His judgments, and His statutes.** And when lest, lest ¹² **lest when you have eaten and are full, and have built beautiful houses and dwell in them,** ¹³ **And when your herds and your flocks multiply,** all your goods, all your possessions and things, when you multiply like that, it says, beware, beware, ¹³ **and all that you have is multiplied.** All these blessings coming like falling rain ¹⁴ **when your heart is lifted up, and you forget the Lord your God who brought you out of the land of Egypt (Deuteronomy 8:11-14 NKJV).** Verse 18, ¹⁸ **And you shall remember the Lord your God.** So He's saying beware that you will ¹⁸ ... **remember the Lord your God, for it is He who gives you power to get wealth.**

God is saying, "Beware, beware that you say these things in your mind and in your heart." You're not even saying them out of your mouth, but you're saying them in your mind and in your heart. My might and my strength have gotten me this wealth. Beware, God says. Right? But ¹⁸ **you shall remember,** verse 18, **the Lord your God, for it is He who gives you power to get health wealth that He may establish his covenant which He swore to your fathers as it is this day.** ¹⁹ **Then it shall be, if you, by any means, forget the Lord your God and follow after other gods and serve them and worship them, you shall surely perish (Deuteronomy 8:18-19 NKJV).** Right? Because you know better. He taught you better. He taught you. He had you on a journey. He prepared you. He spoke to you. Right?

And then look at this. Hebrews 3 verse 12 to 13. Verse twelve. ¹² **Beware.** So that's one of the things that the Lord said to me. Sharon, now that I'm telling you this about all of this blessing that's coming now in the next ten years, don't be in unbelief. ¹² **Beware, lest there be in any of you an evil heart of unbelief (Hebrews 3:12 NKJV).**

So, what was the thing that God said in Hebrews in the book of Hebrews about the children of Israel? They wouldn't... they didn't come in with their faith. They didn't believe Me. They didn't believe that I was actually gonna take them into a promised land. They didn't believe My promise to them. They murmured so they couldn't go in. Right? So, beware. This in context, if you go to Hebrews 3 when you're going through the message, you can read the book of Hebrews, it says they had the Gospel preached to them, we've had the Gospel preached to us just as surely as they had the Good News preached to them. The Good News of blessings upon blessings everywhere you look, blessings. Hallelujah. And God is saying, "I'm gonna bless you. And I'm gonna bless you and I bless you." And His love is so intense and great. And "I'm gonna bless you and bless you and bless you and bless you. It's all I want to do is bless you. Don't forget Me. Don't start to mingle with other Nations. Don't start to become like them again. Don't you start to get proud in your heart and you say, 'Oh look at what I've achieved.'" Right?

He's such a personal God in relationship. In relationship He's very personal. He'll take it very personally. It would be like a natural kind father that you have that blesses you and blesses you and blesses you, and you just... you don't ... then becomes all about you. It's like a real slap in the face for the Father that I blessed you and off you go doing whatever you want to do, going wherever you wanna go, spending however you wanna spend. And that's one of the things He said in Deuteronomy chapter 12. When you crossover the Jordan, you'll find a place that you should go to. And there you'll come and you there you'll bring your offerings. There you'll bring your children. There you'll bring, and there you and your family will rejoice. Not everybody, you will not do any more like you're doing right now. Everybody doing what seems right in their own eyes. Everything changes when you go over the Jordan.

When you go over the Jordan, you have said to God, "I'm not doing anything anymore the way I used to. Look at me, Lord. I'm changed. I'm transformed. Look what Your resurrection life has done in me. Look, look at me. Look at what You've done in me." Praise You Lord. Hallelujah. "Look at how my thinking has changed. I'm thinking like You now God. Look, look, look, look at how I am speaking now, I don't even speak like I used to speak. Look, look, can You see Lord? I'm not even acting like I used to act, I'm transformed by Your power in me. I'm totally changed by Your resurrection life of Your Holy Spirit in me because He is jealous and He yearns over me." And I have made Him welcome with a jealous love. Hallelujah.

"And You have given me all of the power that I need because I have humbled myself like a little child. And I am still humbling like a little child. And I have received all of this from You. I received all this grace from You, to cut it and kill it, and cut it and kill it, and cut it and kill it, and change it. Look, look, Lord I am so transformed what can I say? What can I say, Lord?"

There will not be an evil heart of unbelief in me. I will say for the next ten years, for the next ten years. All right, where are we now? Eleven o'clock, right? I want to tell you here. I want to read something precious to you before I start to read all the prophecy promises and all the wonderful things that I am going to leave with you.

Jesus speaks one more beware. So it's beware that you forget Him and you say in your own mind and your own heart that you got this for yourself. Then it is beware that you don't believe what He is telling you today, that His blessing is coming to you. Right. And then here is Jesus, Luke 12 verses 13 to 21. And I am going to the New Living Translation here, please? Thanks, Ester.

Here is Jesus now in the crowd. ¹³ **Then someone called from the crowd, "Teacher, please tell my brother to divide our Father's estate with me."** ¹⁴ **Jesus replied, "Friend, who made Me a judge over you to decide such things as that?"** ¹⁵ **Then He said.** Look at Jesus hey? He wants to bless us. He died so that we could have all these blessings, that we could be the blessed sons of God. Covenant blessings.

"Beware! Guard, ¹⁵ **"Beware! Guard against every kind of greed.** That means you want something that you saw somebody else has. The Bible also called that an evil eye. You look and you see somebody else has got something and you want it. That's greed, that's envy. Greed and envy are terrible twins. They are terrible to your life to your spirit life, they're terrible twins, greed and envy. "Oh, I see you've got a car like that." "Oh, you got this in your house." "Oh, you've got that appliance." "Oh I see you've got this, oh I see this, I want it. I want it." "Oh I see, I see, I want." "Oh I see you're dressing like that, I want it." "I want it too." It's envy and greed. You're not with God. You are not with God in trusting Him to bring to you the blessings He is going to bring to you. You are not with God. You make your own plan to go and get what you want. And then you call it the blessing of God. But you looked at it, you saw it like Achan and you want it. "I see it, I want it, I get it, God blessed me."

These two things in your heart are worlds, worlds apart. These two things in your heart are worlds apart. They are worlds apart. They look identical. They look identical. But in your heart, they are worlds apart. Because you have set apart your heart, apart for Him, and you'll not look at another's stuff. You shall not covet. You shall not love it. Your neighbours' things.

Does God want you to have nice things? Yes, but let it be what He brings. Does He want you to have nice things? Let it be what He brings. Let Him surprise you. Let Him bless you. Hallelujah. Hallelujah. Glory to God. Praise the Lord.

Beware! Take heed and beware. ¹⁵ **"Beware! Guard against every kind of greed. Life is not measured by how much you own."** ¹⁶ **Then He told them a story: "A rich man had a fertile farm that produced fine crops.** ¹⁷ **He said to himself, 'What should I do?**

Remember, "What's your more for?" God's asking what you're more for. Well this man has already decided. A man, **a rich man had a fertile farm that produced fine crops.** This is not just for rich people, this is for poor people too. Because Pastor John and I started off very poor having to learn these things, to trust God in His blessing and His supply for our lives. I know. What shall I do? **I don't have room for all my stuff crops.'** ¹⁸ **Then he said, 'I know! I'll tear down my barns and build bigger ones. Then I'll have room enough to store all my wheat and other goods,** other goods. ¹⁹ **And I'll sit back and say to myself, "My friend, you have enough stored away for years to come. Now take it easy! Eat, drink, and be merry!"'** ²⁰ **"But God said to him, 'You fool! It's a fool that thinks like that. That your trust is in your money and your possessions. It's a fool that trusts in his worldly possessions. God says it's a fool. Your trust should be in Him to supply in your covenant contract. There's a difference in your heart.**

So it says here, **You fool, You will die this very night. Then who will get everything you worked for?'** ²¹ **"Yes, a person is a fool to store up earthly wealth but not have a rich relationship with God." (Luke 12:13-21 NLT)** A rich fellowship with the Holy Spirit. Should I be getting this, Lord? Holy Spirit, should I be going after this in this way? Rich relationship with the Holy Spirit. "Lord, look what I find in my heart here. I'm envy. I'm envious, Lord. I'm jealous. I'm greedy. I want what they've got." "Lord, I'm taking Your Word to my heart now. I'm speaking Your Word. I'm telling You now Lord, I will not tolerate this in my heart. I hate this, I will put my flesh under and I will speak Your Word. I will take the fire of Your word to this thing." I'll not entertain it because when you entertain it, it starts to grow. You start to think all kinds of thoughts. You make plans to get it and then you get it. As the book of James says, "Your own desires pull you away." Right.

So now God says these are all the blessings. These are the blessings. I'm going to just read them to you because this is for myself from 2010. So I've just made, like, one thing without the years in. *Above and beyond over the top blessing, supernatural fulfillment, unprecedented favour, greater visitations, manifestations, demonstrations are breaking loose, the faithful flourishing days of heaven on earth, days of glory flourishing and abounding, marvels and wonders, extraordinary manifestations of the greatness of my God, supernatural increase, abundant overflow, Your open Hand, God, Your unusual extraordinary supernatural provision, Your maximum, Your highest level attainable, progressing, advancing, promoting, highest expectations fulfilled. These words, Lord, have been accumulating. Now they are culminating and You are consummating them in Jesus for us, Lord. Things are happening, going to happen so fast my head will swim. One thing fast on the heels of the other. Everything will be happening at once and everywhere I look blessings, blessings like wine pouring off the mountains. You'll make everything right, Lord, for Your people. Hallelujah. Glory to God. Glory to God.*

And so that's it. Right? It's that simple. That's what God wants us to take. He wants us to take that and then all of the glory, all of the eight messages that Brother Jerry brought, Hallelujah. *You show me Your glory, Lord. I'm a candidate for debt reduction, Father. Hallelujah.* That was the powerful thing Pastor John said last Sunday. All these words that we've had for fourteen years now, is this all that I can show for it that I've seen for it in my life? Not yet. Not yet and don't quit. Not yet and don't quit because now it's culminating. Now it's culminating. Hallelujah.

In my life, this will all culminate now because it's been accumulating and this is for all of us. This is for all of us. Glory to God. Thank you, Lord, for holy intrusions. The goodness that You've laid up for me. Thank you. I am planted, Lord. *Your Spirit of Glory is resting upon me. It's not to be consumed on my lust or consumed and wasted, Father.* This is Brother Jerry, blessed us with this. *The main reason for blessing you and causing you to have abundant overflow, so not so that you can store it up like Jesus said, "Beware, beware you don't store it up." Not so that you can store it up, but so you can be a blessing and finance the work of*

God and be involved in this next great move of God. Get this deep down in your spirit. For the next ten years, there's going to be a great move of God. Hallelujah. Hallelujah. There's going to be a great move of God in the next ten years. Glory to God. And we will be aware that that lest is found in us a heart of unbelief. We will be aware in us that lest there be greed and covetousness. We will be aware that we don't say things in our own minds and our own hearts. Hallelujah.

And so he says here, get this deep down in your spirit now. This is a blessing. Decreeing it right now. God is making me His vessel. He'll use me to be a distributor of finances in this next great move of God. Don't miss this move of God. Don't miss this move of God. Glory to God. The goodness of God. Hallelujah.

All of these eight messages, *supernatural increase*, prophecy that he gave us, all the word that he kept coming up in his spirit, the prayer that he prayed over our irrational honour seed, of the realm of the miraculous is opened up for you now. Like for the Shunammite woman, you will be getting things you don't even know you need. Just like the Shunammite woman. Shunammite, It's too it's so much. Blessings. Blessings. Blessings for you. Blessings for me. Hallelujah. Blessings. Blessings. Yes. Yes, Lord. Hallelujah. I receive. He says, *"I've now completed my assignment. I receive this blessing on me. Say that."* He said, *"Say this. I receive this blessing on me."* Hallelujah. Hallelujah. And now I've got one last blessing that I want to read you, and then I will dismiss you.

Also, something God gave me years ago, and I thought, "Lord, why do I sit with this revelation?" And then He said, "You can read it now. You can pronounce it over them." Pastor John brought a message years ago about that we have got all the blessings of all the tribes. In Jesus Christ, we have all the blessings of all the tribes because Moses blessed all the tribes with blessings before he died, and so God helped me compile it supernaturally in this way.

Right. He gave it to me. It streamed and flowed from God through me onto paper. And this is an old paper that I've been keeping, and every time I go through my files, I think, "I must throw this away. I must throw this out." And then I go, "No, I can't. I can't. I can't. I can't, Lord. I can't. Because You spoke to me and told me. You told us that we can have all the blessing of all the tribes." Here we go. I'm going to just pronounce it now.

God, You are come down from heaven. You are dawn from on high upon us. You radiate light. You come with 10,000 holy angels and tongues of fire streaming from Your right hand. Oh, how You love the people. All Your holy ones are palmed in Your left hand. They sit at Your feet honouring Your teaching. The revelation commanded by our spiritual leader as the assembly of Jacob's inheritance. Thus, God, You are our King. We shall live and not die.

You listen, God, to our voice. You bring our people to us. You strengthen Your grip. You are our helper against our enemies. You are guarding our sayings and watching over our covenant. You teach us Your ways and Your revelation. We keep the incense rising to Your nostrils and the offerings on Your altar. God, You bless our commitment and stamp Your seal of approval on what we do. You disable the loins of those who defy us. You make sure we've heard the last from those who hate us.

We are Your beloved, Your permanent residence encircled by You all day long. You are at home with us. Blessed by God is our land, the best fresh dew from high heaven, and fountains springing from the depths, the best radiance streaming from the sun, beauty pouring off the tops of the mountains, and the best from the everlasting hills, the best of earth's exuberant gifts, the smile of the burning bush dweller, all this on our heads overhead, on the brow of the consecrated ones among our brothers. In splendour we are like a firstborn bull. Our horns, the horns of a wild ox. We'll gore the nations with these horns, push them all

to the ends of the earth. We'll do this. We'll do that. We'll do this. Celebrate us as we go out. We'll invite people to the mountain. Hallelujah. Glory to God. We'll invite people to the mountain. We'll invite people to the mountain. Hallelujah. Yes. Yes, Cleopas. You got invited to the mountain. Glory to God. Hallelujah.

We'll invite people to the mountain and offer sacrifices of right worship for they will have hold riches in from the sea and glean treasures from the beaches. Blessed are You who makes us large. We are like a lion tearing off an arm, ripping open a skull. We took one look and grabbed the best for ourselves. The portion just made for someone in charge. That's what Pastor John said. He said, "I'll go after the legacy. I'll go after the best. How can I get it at any cost," Pastor John said. Oh, glory to God. Right. So we took one look and grabbed the best for ourselves, the portion just made for someone in charge. That's Ecclesia in charge to rule. We took one look. Okay. We take our place at the head. We carry out Your right ways and rules for life. We are brimming and spilling over with Your blessings as we take possession of the sea and land. We are best blessed of sons. We are the favourite among our brethren. Our feet are dipped in oil. We are safe behind ironclad doors and gates. Our strength like iron as long as we live. There is none like You, God, riding to our rescue through the heavens.

And in Your majestic glory through the skies, You are our refuge and dwelling place, and underneath us are Your everlasting arms. You drove out the enemy before us in Jesus and commanded, destroy. We live securely the fountain of Jacob undisturbed in grain and wine country. Oh, yes. Your heavens dripped dew. Happy are we. The blessing is ours. Who has it as good as we do? A people saved by God. The shield who defends us. The sword that brings triumph. Our enemies will come crawling on their bellies and we'll march on their back.

It's who we are. God has said that today I can declare that this is who we are. All the blessings of the tribes are in there that Moses blessed the tribes with before he died. Let's stand, please. Hallelujah. Glory to God. Father, we thank You for Your word that You've spoken to us today. Let's just thank Him. Let's just thank Him. Thank You, Father. We thank You. We thank You for this word. We receive it, Lord.

We receive this accumulation, this culmination, and this consummation of this word today, Father. We take it today, Lord. We take it today. All of the fourteen prophecy promises, all of the messages, all of the blessings of irrational honour, Father, we take it all. There are many of you here that don't understand everything that I've spoken about today, but your heart, your heart, your heart agrees. Your heart agrees and your heart receives. And so, Father Your people are blessed. Blessed going out, blessed coming in. Blessed in the city, blessed in the field that they are the head and not the tail. They're above and not beneath, Father. Hallelujah. Your light shines upon us, Father. We are called by grace. We are blessed with purpose, Lord and we are living in Your favour, God. You are overhead. You are our overhead. You're over our heads, Lord, with all of this blessing, and we say thank You and we say, amen. In Jesus' name, we say, amen. Amen. Well, bye-bye, everybody. Yes. Offering and there are no Message Moments today. Pastor John wanted no message moments today. He wanted... the rest for the cyclists. Okay. Let's take the offering. Let's take up an offering.

Praise the Lord. Glory to God. Wow. I got it out. I got it all out. Hallelujah. Are you blessed? Hey? I'm so blessed. I'm so blessed. Just a time... this time has come for us. It's come. It's because Pastor John has qualified and because others have qualified. They've chosen their level of crossing over and so here we go. And any people that are new that come in will come into the spiritual environment of what is happening here and be included because this is all-inclusive. Hallelujah. They'll come right into the blessings. So, even if you here today for the first time and you know that the Lord has planted you here and put you here, you

come into the blessings with us. Hallelujah. Yeah. And then I want to pray over the offering when you're done. Please. I would love to pray over this offering. Thank you. Thank you. Pastor Christi, please will you come and pray over the offering? Thank you. Just bless the people. Increase.

Pastor Christi: Father, we give You all the glory today, and we come by faith. You have made room for us to flourish in this land, Lord, and now we are increasing. We are waxing great and we are gaining more and more what You have promised and what You have in store. We take it by faith, Lord. We are blessed. Blessed going out and blessed coming in. Every single day in the Name of Jesus, we pray. And we all say, amen. Hallelujah. Yeah.

Pastor Sharon: Have a wonderful day. Thanks, Hans. Okay. Bye. Thanks.
