

Crossover Part 42: Accumulation and Culmination

Pastor Sharon Bendixen

26 May 2024

What does Accumulating mean? It means to bring together in a quantity, to increase gradually in quantity and number. Accumulate means to gather and cause to increase. Accumulate means to mount up, pile up, heap up. All the messages and prophecy promise all the words have been accumulating.

Culminating means to crown and to top. To culminate means to reach the highest point, to be vertical, to rise to, to reach its highest point of altitude. To be directly overhead. To reach the highest climatic decisive point. All these words have been brought together in a quantity, we have gathered it all, it's been mounting up, piling up.

Consummating is the act of bringing to completion and fruition. All fourteen words, eight messages, the crossover, the Jordan entering to occupy, the accumulation, the culmination, the consummation of everything.

Read Amos 9:13-14 MSG

Pastor Sharon got the words: For the next ten years, blessings will fall like rain, we will recognize this, nothing in our lives will be the same. We must remain faithful to all the messages in direction and correction and in the instruction. Then our days will be prolonged, blessings will be spiritual and natural. It will impact the financial, our physical health and our healing. (Read Isaiah 26 verse 12, AMPC)

Say: Thank you, Holy Spirit, that you gave us the Grace to change and to be transformed. Thank you Holy Spirit that you live in us and that we can yearn to have a living relationship with you so that you can change us. Thank you that you are willing to come and live in us so that we can cooperate with you.

We are so privileged to be planted here in this Ecclesia, to have roots and the fruits of our lives that is ministered to us in the church because in the church He has given us apostles, prophets, pastors, teachers and evangelists where we can be equipped to become matured grown-up sons of God.

Joshua 3:5 - God said in verse 5 of Joshua, He says, consecrate yourselves, because, "for tomorrow, the Lord will do wonders among you" It's consecration and preparation for the power of God to experience God's power, protection and his deliverance. In spiritual preparation, we build our faith, so we will crossover and occupy and have everything. All fourteen prophecy promises, all of the eight messages Brother Jerry brought to us will bless us. That is available to all of us.

When we walk with Him, you have to strive for the *spirituals* to flow through you. When you're walking with Him, you'll know it all originates in God's Spirit and it flows from Him to us. Our more must be for the Kingdom of God.

God gave us three warnings:

1. Beware that you do not forget the Lord your God by not keeping His commandments, His judgments, His statutes. Deuteronomy 8:11-18
2. Beware, lest there be in any of us an evil heart of unbelief. Hebrews 3:12
3. Beware! Guard against every kind of Greed our life is not measured by how much we own. Luke 12:13-21, NLT.

Pastor Sharon blessing compilation: *Above and beyond over the top blessing, supernatural fulfillment, unprecedented favor, greater visitations, manifestations, demonstrations are breaking loose, the faithful flourishing, days of heaven on earth, days of glory flourishing and abounding, marvels and wonders, extraordinary manifestations of the greatness of our God, supernatural increase, abundant overflow, Your open Hand , God, Your unusual extraordinary supernatural provision, Your maximum, Your highest level attainable, progressing, advancing, promoting, highest expectations fulfilled. These words, Lord, have been accumulating. Now they are culminating and You are consummating them in Jesus for us, Lord. Things are happening, going to happen so fast our heads will swim. One thing fast on the heels of the other. Everything will be happening at once and everywhere we look blessings, blessings like wine pouring off the mountains. You'll make everything right, Lord for us Your people.*

Thank you, Lord, that we are planted. Your Spirit of Glory is resting upon us. It's not to be consumed on our lust or consumed and wasted, Father. The main reason for blessing us and causing us to have abundant overflow, is not so that we can store it up like Jesus said, "Beware, beware you don't store it up." Not so that you can store it up, but so you can be a blessing and finance the work of God and be involved in this next great move of God. We need to get this deep down in our spirit. For the next ten years, there's going to be a great move of God. Be ready.
