It will Pour

All of the eight messages Brother Jerry brought, all of everything that God has brought to us this far, all of the prophecy promises, all of these words have been accumulating; all is now culminating and He is consummating this now in our Ecclesia, in our church. This is not a Word for the whole body. God is speaking to these people in this church. It doesn't matter if you have just come to join. It is for the people that have been journeying with all the messages, that have been crossing over with the Holy Spirit. This is now happening for us.

The Next 10 Years

Amos 9:13-14 MSG

¹³⁻¹⁴ "Yes indeed, it won't be long now." God's Decree. "Things are going to happen so fast your head will swim, one thing fast on the heels of the other. You won't be able to keep up. Everything will be happening at once—and everywhere you look, blessings! Blessings like wine pouring off the mountains and hills.

For the next ten years, this is how it will be:

Blessings will fall like rain;

You'll recognise this,

And nothing about your life will be the same.

From 2024 to 2034, it will pour.

For the next ten years as we remain faithful to all the messages, to all the direction, the correction, the instruction, and everything, as we remain faithful and focused, it will just be like this.

These days will be prolonged.

They will go on and on.

And the blessings will be both spiritual and natural.

The blessings are going to be spiritual and temporal. Another word for natural is temporal, earthly blessings.

And it will impact and affect the relational aspects of our lives, the financial, the provision, all things added and increase.

It will impact and influence our bodies, our physical health, and our healing, and our well-being.

Health, strong. Living strong.

The next ten years.

He is giving us a purpose, a mark, an expectation, and a hope for our future for the next ten years. Glory to God.

Beware

God says 'beware' three times. He warns us because He loves us and wants us to live long in the land. He doesn't want you entering in and then stumbling.

Deuteronomy 8:11-14, 18 NKJV

¹¹ "Beware that you do not forget the Lord your God by not keeping His commandments, His judgments, and His statutes which I command you today, ¹² lest—when you have eaten and are full, and have built beautiful houses and dwell in them; ¹³ and when your herds and your flocks multiply, and your silver and your gold are multiplied, and all that you have is multiplied; ¹⁴ when your heart is lifted up, and you forget the Lord your God who brought you out of the land of Egypt.

¹⁸ "And you shall remember the Lord your God, for it is He who gives you power to get wealth."

Hebrews 3:12 NKJV

¹² Beware, lest there be in any of you an evil heart of unbelief.

Luke 12:15 NLT

¹⁵ "Beware! Guard against every kind of greed. Life is not measured by how much you own."

Prophecy Promises

Above and beyond, Over the top blessing
Supernatural fulfilment, Unprecedented favour
Greater visitations, manifestations, and demonstrations are breaking loose
The faithful flourishing, Days of heaven on earth, days of glory flourishing and abounding,
Marvels and wonders, extraordinary manifestations of the greatness of my God,
Supernatural increase, Abundant overflow,

These words, Lord, have been accumulating. Now they are culminating and You are consummating them in Jesus for us, Lord. Things are happening, going to happen so fast my head will swim. One thing fast on the heels of the other. Everything will be happening at once and everywhere I look blessings, blessings like wine pouring off the mountains. You'll make everything right, Lord, for Your people.

Blessings of the Tribes of Israel

In Jesus Christ, we have all the blessings of all the tribes because Moses blessed all the tribes with blessings before he died; it's who we are. God has said that I can declare that this is who we are.

God, You are come down from heaven. You are dawn from on high upon us. You radiate light. You come with 10,000 holy angels and tongues of fire streaming from Your right hand. Oh, how You love the people. All Your holy ones are palmed in Your left hand. They sit at Your feet honouring Your teaching. The revelation commanded by our spiritual leader as the assembly of Jacob's inheritance. Thus, God, You are our King. We shall live and not die.

You listen, God, to our voice. You bring our people to us. You strengthen Your grip. You are our helper against our enemies. You are guarding our sayings and watching over our covenant. You teach us Your ways and Your revelation. We keep the incense rising to Your nostrils and the offerings on Your altar. God, You bless our commitment and stamp Your seal of approval on what we do. You disable the loins of those who defy us. You make sure we've heard the last from those who hate us.

We are Your beloved, Your permanent residence encircled by You all day long. You are at home with us. Blessed by God is our land, the best, fresh dew from high heaven and fountains springing from the depths, the best radiance streaming from the sun, beauty pouring off the tops of the mountains, and the best from the everlasting hills, the best of earth's exuberant gifts, the smile of the burning bush dweller, all this on our heads overhead, on the brow of the consecrated ones among our brothers. In splendour, we are like a firstborn bull. Our horns, the horns of a wild ox. We'll gore the nations with these horns, push them all to the ends of the earth. We'll do this. We'll

do that. We'll do this. Celebrate us as we go out.

We'll invite people to the mountain and offer sacrifices of right worship for they will have hold riches in from the sea and glean treasures from the beaches. Blessed are You who makes us large. We are like a lion tearing off an arm, ripping open a skull. We took one look and grabbed the best for ourselves. The portion just made for someone in charge. We take our place at the head. We carry out Your right ways and rules for life. We are brimming and spilling over with Your blessings as we take possession of the sea and land. We are best blessed of sons. We are the favourite among our brethren. Our feet are dipped in oil. We are safe behind ironclad doors and gates. Our strength like iron as long as we live. There is none like You, God, riding to our rescue through the heavens.

And in Your majestic glory through the skies, You are our refuge and dwelling place, and underneath us are Your everlasting arms. You drove out the enemy before us in Jesus and commanded, destroy. We live securely, the fountain of Jacob undisturbed in grain and wine country. Oh, yes. Your heavens dripped dew. Happy are we. The blessing is ours. Who has it as good as we do? A people saved by God. The shield who defends us. The sword that brings triumph. Our enemies will come crawling on their bellies and we'll march on their back.
