

Precious Promises Part 1

Pastor Sharon Bendixen

30 June 2024

The Lord is with you.

God, the Judge of the whole earth, got some things settled. He got glory and He got a great breaking loose for Himself. We gave God our yes, that we welcome His Holy Fire.

God said, tell My people that all of these words from 2010 to 2024 have been accumulating and culminating, and now they're consummating in Jesus for you. I wrote down all the headings of all the prophetic words from 2010 to 2014 and I praise Him with it:

I thank you, Lord, today the over and beyond over the top blessing. Your supernatural and divine fulfillment. Your unprecedented favour and today is a greater day. I experience visitations, manifestations, and demonstrations. I'm flourishing and I'm faithful. Today is the day of heaven on earth. Today is a day of glory, of flourishing and abounding. Father, marvels and wonders and extraordinary manifestations of the greatness of our God.

Supernatural increase and abundant overflow. Thank you today Your hand is open, and I'm experiencing unusual, extraordinary supernatural provision. Your maximum, the highest level attainable for me today. I'm making progress and I'm advancing. I'm experiencing promotion and my highest expectations are being fulfilled.

"What are you doing, Pastor Sharon?" I'm doing the Word. Because the Word says that faith comes by hearing.

Every day my expectation is there, and then I also say the Scripture He gave us that day. Father things are happening so fast. One thing fast on the heels of the other. Everything's happening at once and everywhere I look, blessings. Blessings like wine pouring off the mountains and hills. You're making everything right for me. Everywhere I look, blessings, blessings, blessings (Amos 9:13, MSG).

"And so, Pastor Sharon, what if I am looking and looking and I'm not seeing blessings there?" I say what God says. Because that is God's way to create my world with His words.

If you're in a place today where you have no employment say, "Job be. Employment be. Thank you Father, that You are creating employment for me today. The right place at the right time."

If you have sickness in your body then say, "Body, be healed in Jesus' name." "But I don't feel healed!" What's that got to do with it? If you need to, go to the doctor. That doesn't mean you don't have faith in your heart and you don't believe God's Word that says, *By the stripes of Jesus, you were healed.* You're just going for temporary relief for your symptoms.

How long must I wait? My faith doesn't tell the time. Real faith does not tell the time. Real faith, real trust in God doesn't say, "It's been long already, Lord. It's been months, it's been years, Lord." I put my trust in You, Lord.

God has created you to speak and create your world with His words. ⁴ So by means of His glory and excellence, He has bestowed on us His precious and exceedingly great promises. For every area and aspect of your life, there is a promise in God's Word. ⁴ ... So that through them, you may escape [by flight] from the moral decay and the [rottenness and the corruption] that is in the

world (2 Peter 1:3-4, AMPC). Every promise is your escape route from every situation that you might find yourself in. Lack, sickness, strife, enmity, all the things, the corruption in the world.

He is my Jehovah Rapha. He is the Lord that heals me. He's my doctor. There's a phrase that I've used now for years: *God in me is the stream of divine life that flows through my members, through my body, through my heart, through my kidneys, through my liver, through my muscles, through my blood corpuscles, through my cells, through every part of my being. He is the stream of divine light that flows through my nerves. He flows through my organs. He flows through my systems, my skeletal system, my reproductive system, my lymphatic system. He is the stream of divine life that flows through me. Overwhelming the law of sin and death.*

Coursing through me. C-o-u-r-s-i-n-g, with power and virtue from on high. Sickness and disease come on me, I say, "I forbid sickness and disease to come on this blood bought covenant body." But then nothing changes and I'm still in pain and so I do what I need to do in the natural, but you can't get me off His promise. That's my escape route. That's where my trust is. He is my Jehovah Rapha, the Lord that heals me.

You're going to have to lay hold of God's promises for yourself. You're gonna have to take the promise of God. You're going to have to put it in your mouth. You're going to have to stand with it and stand on it. Faith is real spirit work. Otherwise, whatever you tolerate is what you're gonna have to live with. That's what I had to do with lack too. I attack my lack. And I don't quit.

"My promises," He said to me, "I expect you to obtain them." (Hebrews 11:33 KJV). "Take My promises, exceeding great and precious promises, and put them in your mouth and put them in your heart and speak them and believe them."

God created us in His image to bless us. That was His original intent, and He's never changed His mind. He said to Adam and Eve, *I bless you. I bless you. Be blessed. Be empowered to prosper. Be empowered to have good success in every area of your life. Bless you. Blessing, I will bless you. Multiplying, I will multiply you. Not decreasing, I will decrease you. No. Multiplying, I will multiply you.*

It says, ¹⁸ It is impossible for God to lie for we know that his promise and his vow will never change! And now we have to run into his heart to hide ourselves in his faithfulness. This is where we find his strength and comfort, for He empowers us to seize what has already been established ahead of time—an unshakable hope! ¹⁹ We have this certain hope like a strong, unbreakable anchor holding our souls to God Himself. Our anchor of hope is fastened to the mercy seat in the heavenly realm (Hebrews 6:18-19, TPT).

Romans 4:16-24 (TPT), we're looking at God's exceeding great and precious promises - the promise depends on faith. When I'm speaking God's promise, I'm calling into being things that don't even exist yet. I will say it again and again. The promise refers to the promise you need for your circumstance.

You're mighty in faith when you don't quit. You're weak in faith when you quit. When you're strong in faith is when you're steadfast and enduring.

The Lord said to speak to you and to my heart. Press for the fulfillment of the promises I've already said yes to. Say amen to each one, believing, declaring, giving glory, and praise. Be persistent. Have fearless confidence. Do not draw back in fear and doubt concerning my promises. Do not be double-minded. Be single-minded on my promises. Press for what you do not yet have manifest.

Put pressure on My great and precious promises. Every time I'm in my faith process and nothing's changed, it's precious to God when He sees me taking His Word and believing Him. He's with me in it. He's saying, "Don't quit because it's your faith that's going to work." He's not holding out against you. He's the one who's given the promises, and said, Yes. And given you like-precious faith. Exert faith pressure, joy pressure, obtain the promises, obtain all promises. Let My promises be exceedingly precious to you.

Spirit life is everything that you have and experience with the Holy Spirit. It's Him leading and guiding you into all truth. It's Him showing you things to come. It's Him revealing, declaring, disclosing things to you. He speaks to you. You speak to Him. He doesn't connect with you in your head. He connects with you in your spirit. To worship Him is to intimately connect with Him

Be filled with His Spirit, speaking to yourself. Praying in the Spirit is part of that.
