

## **Lifting the Lid**

John Bendixen - 28 July 2024

# *Lifting the Lid*

The thing that keeps coming up in my spirit is that God is lifting the lid.

God is lifting the lid to reveal what He's put into us, what He's creating amongst us, and what He's doing with us. As He's lifting the lid, there are going to be many, many, many people that will taste what God has done with us, what God is doing with us. He's lifting the lid so that all can taste.

They're going to taste and see that the Lord is good.

They're going to taste and see that He is amongst us,  
that He is our King,

He's our Lord,

He's our Master,

and that we as a people are united.

We are in agreement.

We are full of the Holy Spirit.

We are full of God and we are full of all of His plans and purposes.

When people begin to taste and see what God has done among us, God is going to lift the lid for us in many things that He's going to do for us.

He's taking the lid off, not only so that people can taste what we are, but also that we can be exposed to many things that God's got for us.

God is busy adding things to us in this season.

He's adding some ingredients to us, but it's for us to be able to be served to the world.

There are big things that God has planned for us and God is wanting to reveal and lift the lid of the pot of what He's developed and created here in this ministry.

He's wanting to lift the lid and make it available to the world.

Declaration:

I thank You, Lord, that You're lifting the lid. You're lifting the lid and whatever You want to do by doing that, I receive it, I walk in it, I declare it, I believe it, and I'll work with You on this, in Jesus' name.
